Keikis' Christmas Party Planned at Outrigger

Keikis—some 150 of them—are expected to gather at the Outrigger Canoe Club Friday evening for the traditional kiddies' Christmas party.

The arrival of Santa Claus by outrigger canoe at 7 p.m. will be the high point of the party given for children of club members.

A special Christmas dinner will be served one hour before Santa's arrival to distribute gifts around the Christmas tree. Group singing and music are also planned for the evening.

In charge of the event are members of the entertainment committee headed by William C. Capp.
