As They Wander Around
Ballroom—Everybody Had
Good Time.

Regatta Day wound up in a blaze of glory at the Young Hotel on Saturday night, when the annual dance was held. The affair was a huge success, and everybody enjoyed themselves. Pretty girls, good music and an excellent floor form a good combination, and from early in the evening till after midnight the big crowd of holiday-makers enjoyed themselves.

The victorious crews were much in evidence, and the defeated men also kept their end up during the evening. The "special" four—Chillingworth, Cupid, Robertson and Thompson—wandered along as soon as the dance started up. The quartet was cheered by everyone and took it all in good part. There is no doubt that the special pair-oar race made a hit on Saturday.

The dancers found it cooler up on the roof of the Young than down in the streets, and everybody seemed to get up for every dance. There were no wall flowers, and the floor committee took care that all the girls found plenty of partners.

Regatta Day was a huge success in every way this year, and there is no doubt about it being the great day of the year so far as sports go.
