

HEALANIS PUT IT UP TO ALEXANDER HUME FORD

The Healanis want to interview Alexander Hume Ford. "Ask him," they said yesterday, "how the trail and mountain perambulators are entitled to be classed as athletes." Then they had another one for him. Their second query is: "The haole crew rowed against the Hawaiians from Kona for a hundred-dollar cash purse, and some of the haole crew are Outrigger Club boys. What do you know about that?"
