Outrigger's Thanksgiving.

There will be a dance at the Outrigger Club Thanksgiving evening. I. D. Canfield a new Outrigger live-wire is arranging the affair. Canfield is offering the dance, lemonade, cake and ice cream galore to the Club members and their friends, all for a dollar. Any profits from the dance will be used in completing the new Outrigger Club house. The big lanai over the lagoon will be decorated and lighted for the occasion, and as the new roadway from the street to the lanai is now completed, a large attendance is expected.
