The Hawaiian Canoe Racing Association race committee will meet at 7:30 tonight at the board of public parks and recreation building.

Final details for the sixth annual Molokai-to-Oahu channel race Oct. 20 will be discussed at the meeting.

Arthur Otremba of the race committee reported last night that Outrigger Canoe Club, which won the 1956 crossing, has withdrawn from this year's competition leaving nine entries. Paddlers who do not belong to any of the nine remaining crews but who wish to compete are asked to attend tonight's meeting.
