Ms. Stowell announced that she is the Coordinating Director for the Walter Macfarlane Canoe Regatta scheduled for July 4, 1992. She would appreciate the involvement of the Historical Committee and asked for a few representatives to assist her. Also discussed was the Mini Charge. Ms. Stowell explained how it worked to the committee.

OLD BUSINESS
CLIPPING SERVICE : Mrs. Brightman reported that she has received the reinforced special sheets that she needed for her scrapbook. She conceived an idea for a special scrapbook titled, "Dis & Dat" which was well received by the committee. She asked the committee to keep on the lookout for anything that would be of interest pertaining to Waikiki or the club.

After some discussion, the committee decided to pursue this further. Mr. Mrantz will take a picture of one that he had seen at another club. Mr. Pratt will look into the cost of building one. Ms. Stowell will make a presentation to the Board, and will question the feasibility of perhaps having one made in OCC's maintenance department.

Canoe Racing Committee
Terri Pynchon
Chairman

February 5, 1992

To: Kehau Kea, Historical Committee

From: Terri Pynchon, Canoe Racing Committee

Subject: Outrigger Canoe Club history

The Oahu Hawaiian Canoe Racing Association ("OHCRA") has requested the assistance of the Outrigger Canoe Club in providing them with a copy of the 1966 Molokai to Oahu canoe race recorded on film and a brief history on the Outrigger Canoe Club.

OHCRA has begun gathering historical information on each Molokai to Oahu canoe race as well as other OHCRA sponsored races. OHCRA would appreciate a copy of the film of the 1966 Molokai to Oahu canoe race for its archives. The film would be strictly for non-commercial use.

OHCRA has also requested a brief history on each of its member clubs and has prepared a short form, which is attached. Please help canoe racing in completing this form. OHCRA has asked that the form be turned in by June 1, 1992. It should be returned to the canoe racing committee before this date, who will then pass it on to OHCRA.

Your assistance with these requests is greatly appreciated.

Sincerely,

Terri J. Pynchon
Chairman

Dear Mr. Tsuzuki:

I am writing to you in regard to the conversation we had recently about the interest of the Historical Committee of the Outrigger Canoe Club in your father's photograph collection.

I have been unable to reach you by telephone and would appreciate it if you could get in touch with us. Perhaps you could phone me at 923-1243 or write me in care of the Outrigger Canoe Club and let us know if you are considering this matter.

We thank you for your cooperation and look forward to hearing from you.

Dear Dv.

Thanks for your letter offering the assistance of the Public Relations committee to promote Historical Committee events. Our committee is just gearing up to plan some very exciting activities in the coming year, but as yet no dates have been set.

One of our planned projects is to revive the once popular column in the "Outrigger" giving news items of "50 years ago....25 years ago...etc.

Also on the agenda will be two Monday night slide shows featuring a stew and rice dinner. We hope to attract sell out audiences as

we did last year.

It would be my pleasure to represent the Historical Committee in working with Public Relations to promote these and other upcoming activities.

My home phone number is 923-0113, if you should wish to call. I'm looking forward to working with your committee.

Very truly,

Dear Victoria;

The menu arrived and I can't tell you how delighted I am to received it. Unfortunately we do not have any for other years, but this is an inspiration to put out a search for some.

Can you really believe a meal like that could be had for $4.75, including tax, tip and a glass of wine? Even if it was nearly 30 year ago!

It was so kind of you to think of sending the menu to us. Please accept a warm mahalo from the Historical Committee.

SUBJECT KRAUSS SLIDE SHOW PRESENTATION AT OCC

As you requested in our phone conversation yesterday, this is to confirm arrangements pursuant to your presenting your inter-island steamers slide show at Outrigger Canoe Club.

The date is Monday, August 3rd 1992.

This is a function of OCC's Historical Committee and is one of a series of Monday night stew-rice suppers. The club is officially closed on Monday nights except for special events like this (for which members make reservations). Format and timing are as follow: cocktails 5:30 p.m.; buffet supper 6 p.m.; slide show--you're on--7 p.m.

To promote the evening, an announcement will be run in the July issue of the Outrigger Bulletin (copy thereof is enclosed herewith; please review for accuracy).

There will also be a show case display at the front desk. This will be handled by Tsulan Young, 737-9553, who has been informed of the potential for appropriate photos at Hawaii Maritime Center (Stan Melman, librarian). You need not concern ourself with this aspect of the project.

Unfortunately for me, I most probably will not be back from the Mainland in time to catch your steamers. Ray Suganuma (681-4436), fellow Historical Committee member, will follow-through from here. The two of you will want to coordinate on technical requirements.

The Historical Committee was delighted to learn of your willingness to do this presentation for us, and all hands are looking forward to the occasion. Thank you in advance for sharing the fruits of your research and, of course, your talent as a journalist/historian.

SUBJECT KRAUSS SLIDE SHOW FOR STEW-RICE NIGHT

Tsulan, the date has been changed! It's now Monday, August 3rd.

Regarding display: Krauss doesn't want to be involved. But, he says appropriate photos are available at Hawaii Maritime Center and that you may contact Stan Melman, librarian, for that purpose. Krauss has done a project for the Center & Melman knows the slide show and what photos would fit the bill.

Because of my upcoming trip to Europe and the Mainland, Ray Suganuma has most generously volunteered to follow-through on this project from here on. The two of you will want to coordinate confirming details. My thanks to you in advance for what I know will be a display that will bring 'em in!

Because of my upcoming trip, Ray Suganuma has kindly volunteered to follow-through for me on this project. He is aware that you are on this committee and has your phone number. You may expect a call from him in request of some assistance. At this time, things look wonderfully simple.

Thank you in advance for any help you may be able to give Ray. I think the Krauss slide show will be of interest and well done.

SUBJECT SCHEDULE/STEW-RICE NIGHTS

Ray, this is to confirm details of our phone conversation earlier today:

Because of scheduling complications, the Slide Show Committee has cancelled the two dates previously reserved for stew-rice nights, July 20 and August 24.

A single new date has been set for Monday, August 3rd. Program for that night will be Bob Krauss presenting a one-hour slide show on inter-island steamers.

As you reminded me, it is necessary to run the OCC Bulletin promotion story in the July issue and that deadline is 25 May. Enclosed is the copy being submitted 23 May for that purpose.

Also enclosed is fact-confirming memo to Krauss. You may want to review both story and Krauss memo in the interest of accuracy and a successful evening.

You may expect to hear from Ray Suganuma, of this committee, about technical details for slide show set-up and final coordinating details. He will follow-through on the Krauss supper from here on.

Later special events: I indicated the committee is exploring the possibility of a special luncheon to replace cancellation of one stew-rice supper. The committee is also considering a second stew-rice night early in the new year.

We are sorry about the juggling of dates. Thank you for your patience and cooperation.

AUGUST MIXED PLATE: KRAUSS, STEAMER & STEW-RICE NIGHT

Bob Krauss, Hawaii's dean of columnists, will present a slide show on inter-island steamers, August 3rd at the OCC Historical Committee's next Monday night stew-rice supper.

In Krauss's words, "It's a colorful story of how steamships took over from schooners and square-riggers in Hawaii in the 1850s. This was a very colorful era, especially important to Hawaii. The steamers provided the cargo and passenger bridges among the Hawaiian islands for almost 100 years.

"And what's fascinating to me is that so many island families are connected with steamers . . . It was a dangerous business. There were wrecks from South Point to Kauai's Napili Coast. The steamer seamen were magnificent."

The warmly received "Inter-island Steamers" was originally prepared by Krauss for a University of Hawaii Marine Option Program and Hawaii Maritime Center lecture series. Krauss was selected for the project because of his special interest and background in Hawaii maritime history, especially as represented in newspapers.

Krauss has been in Hawaii 40 years and 40 years as a journalist at the Honolulu Advertiser, where he became Hawaii's first

--more--

columnist with "In One Ear" in March 1953. His first assignment at the paper, however, was covering the waterfront.

He continues his probe of Hawaiian historic and human interest subjects in his widely read column, "Our Honolulu," and in more lengthy works--he is currently on his 15th book, a biography of the legendary Mayor Johnny Wilson, to be published by the University of Hawaii Press.

Call the front desk, 923-1585, for reservations for the Krauss Steamer 'n Stew-rice Night: Monday, August 3rd. No-host cocktails 5:30 p.m. Buffet supper 6 p.m. Slide show (one hour) 7 p.m. Price: $9.95, includes stew-rice, fruit salad, green salad, rolls & butter, a choice of desserts--and Krauss. Don't delay. This could be a sellout.

Barbara . . . My apologies for the mix-up in dates & my thanks for your ready solution yesterday. At this moment, the situation looks all-clear.

I send you all this paper work because of the change in schedule and also because of my forthcoming departure.

I believe I detected some discomfort on the part of Ray Ludwig when I told him we were cancelling one stew-rice night for the time-being. I did tell him a luncheon is being discussed and also that we hope to do the second stew-rice in the new year.

Meanwhile, the Krauss stew-rice is in the hands of Ray Suganuma; and I feel confident he will follow-through with efficiency and good spirit.

Thank you for your patience and perseverance.

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING
THURSDAY, MAY 7, 1992 - 5:00 P.M.

PRESENT: B. Del Piano, Presiding; B. Barnhart, A. Brightman, M. Costa, E. C. Higgins, D. Jocelyn, E. McMahon, M. Parks, M. Moore, K. Pratt, J. Ward Russell, T. Thomas, M. Young, T. Young, R. Suganuma

APOLOGY: C. Black, J. Garner, E. Brodhead, J. Mrantz, A. Quigg, C. Remillard, M. Sandelin, J. Pratt

BY DESIGNATION: G. Cook, Coordinating Director

CALL TO ORDER: The meeting was called to order at 5:05 p.m.

APPROVAL OF MINUTES: The minutes of the April 9, 1992 meeting minutes were approved as circulated.

COORDINATING DIRECTOR'S REPORT: Mr. Cook reported that the design for the Macfarlane t-shirt (to be sold at the regatta) has been approved by the Board of Directors. A donation of a video (1978 Dad's Center Women's Race) from Geri Pedesky was gladly accepted by the committee. A short discussion ensued on obtaining good videos for the historical archives. Mr. Cook said that the historical budget can be enlarge for something of value.

It was mentioned that Monte Costa may have collected some videos of value. Mrs. Costa will discuss with Monte on what she has available.

COMMITTEE REPORTS: Mrs. Brightman reported she is in the process of gathering information for her 'This and That' column. Her committee will be meeting soon.

ORAL HISTORIES: Mr. Russell voiced his concern on the updated current list of oral history candidates that was presented at last month's meeting. He asked that the committee accept this new list with respect for people to be interviewed by the Historical Committee. A vote was taken and favored unanimously to accept as was presented.

LIBRARY AD HOC COMMITTEE: Mr. Higgins mentioned the displaying of the library books for a short time before the meeting. He reiterated the problems of handling of the library cart and has yet to work out the logistics for easier movement.

SPECIAL EVENTS: Mrs. Brightman reported that she is working on coordinating a fashion show. She said, there is a shop located on Kuhio Avenue, Reminese, that has available fashions from 1880 to 1930. "This should make a very interesting fashion show," said Mrs. Brightman. Ms. Parks said a friend of hers has a collection of period bathing attire. The Committee expressed an interest on this idea as well. Mrs. Brightman will explore these and other possibilities before the next meeting.

Also of concern was the subject of sending get well cards to members and with whom the responsibility lies. After some discussion, it was recommended that each committee (upon knowing of a member's illness) be responsible for their own cards. Mr. Cook will address at the next Board of Director's meeting.

PHOTO Mrs. McMahon reported that her committee met and reviewed several videos, and two were about 'Duke'. She said it probably would be a great showing for a Stew and Rice dinner.

She also mentioned that pictures were looked at and inserted in the proper folders.

She shared an experience that happened the day of their meeting. A gentleman, named Bernard Connaly who was from Australia, was visiting the Islands. Patti Higuchi, Executive Secretary introduced this fella to them. He was curious to know if the Outrigger would be interested in a book he had, titled, 'No Lives Lost'. Mrs. McMahon was thrilled, stating, "it would be a wonderful edition to the library." The book was gladly accepted and Mrs. McMahon will send this wonderful gentleman a thank you card.

It was mentioned that it is getting quite difficult to acquire good pictures of canoe racing. Mrs. Del Piano suggested that the committee make a list of certain events determining what they would like to obtain, e.g., Major Races of winning crews, Volleyball tournament, etc.

WRITING-RESEARCH: Mrs. Del Piano said that Cobey Black showed her the proper procedures for writing articles on historical events and articles of interest for 'The Outrigger'.

SENIOR MEMBER BACKGROUND: Mr. Thomas reviewed the criteria for a life member. He mentioned that each year he makes up a new list and presents to the committee for acceptance. He stated that the Board of Directors are the ones to select a life member on the basis of contributions and services to the club. The Historical Committee only recommends to the Board, names of members who have met the criteria needed. He advised a list of names will be prepared in December for a recommendation to the Board of Directors in February '93.

SLIDE SHOW: Mrs. Costa contacted Bob Krause, and he will be delighted to do a slide show. After some discussion, the committee selected July 20 or 27. She will confirm either date with Mr. Krause. August 24 and 31 were reserved for an open slide show. One or the other will be confirmed at the next meeting.

Mrs. Del Piano will call on Archie Thornton (committee member, Public Relations) regarding picture taking of the July 4th Regatta.

NEW BUSINESS: None

OTHER: Ray Suganuma offered to represent the Historical Committee as liaison to the Public Relations Committee.
Ray Suganuma and Maggie Parks offered to help on Special Events.

NEXT MEETING: The next meeting will be held on Thursday, June 4, 1992 at 5:00 p.m.

Dear Barbara,

Thank you for your generous gift to the Outrigger Canoe Club library of copies or your two books, "Do You Remember?" and "You Remember Too! " which you co-authored with Y. N. Armitage and C. K. Thoene. Your books were the first response to our committee's recent decision to seek books written by members for inclusion in our small historical library focused on the Outrigger Canoe Club, its members and its environs.

Thanks again for your prompt response to our request.

Mahalo Nui Loa, Irma, for the wonderful photos of Duke and the Healani Swim Team. I am thrilled that you gifted them to the Historical Committee at Outrigger.

The Outrigger Duke Kahanamoku Foundation has requested that Historical, put together another lobby display in honor of Duke's 101st Birthday on August 24. These photos will be a most welcome addition to our annual display, and to our permanent photo collection as well.

On behalf of the Historical Committee and myself thank you for your thoughtful generosity.

Mr. Edward Sheehan

I am chairwoman of the Outrigger Canoe Club's Historical Committee. This committee was formed over twenty years ago, as a repository for memorabilia pertaining to the Outrigger Canoe Club and Waikiki. The Historical Committee wants to develop a library and your book "The Hawaiians" is amongst those books we would most like to include in it. As we have limited funds to purchase books, we are asking various authors for autographed denations of their books for our library. We would be most grateful to you should you wish to gift our Club with your beautiful book.

Over the years this committee has received letters, from many parts of the world and here locally, requesting information on various topics concerning Waikiki, The Outrigger Canoe Club, guests, and members of the Club. The Outrigger wants a library that will be available to anyone wishing to do research or that has an interest in Hawaiian History.

Mahalo nui loa, Mr. Sheehan, for your valuable time and consideration regarding our request.

Dear Kehau Kea:

Since I have applied for membership in the Outrigger, I am more than happy to comply with your request for my book, The Hawaiians.

The problem is that we are here for almost six months (until late November or December) and the book is in Honolulu. It is now a collectors' item and out of print. I have only a few copies left.

So, I hope you can wait until then ...

I'll also be happy to contribute two of my other books with Hawaii themes, "Honolulu" and "Days of '41-Pearl Harbor Remembered." *

Thank for asking. I'll be pleased to be in the Outrigger's library.

HISTORICAL COMMITTEE MEETING
THURSDAY, JULY 2, 1992 - 5:00 P.M.

PRESENT: B. Del Piano, Presiding; B. Barnhart, A. Brightman, E. Brodhead, M. Moore, K. Pratt, C. Remillard, M. Young, T. Young, J. Pratt

APOLOGY: C. Black, J. Garner, E. C. Higgins, D. Jocelyn, E. McMahon, M. Parks, J. Mrantz, R. Suganuma

ABSENT: M. Costa, A. Quigg, J. Ward Russell, M. Sandelin, T. Thomas,

BY DESIGNATION: G. Cook, Coordinating Director

CALL TO ORDER: The meeting was called to order at 5:10 p.m.

APPROVAL OF MINUTES: The minutes of the June 4, 1992 meeting were approved as circulated with the following correction: Date of minutes should read June 4, 1992.

COORDINATING 'IRECTOR'S EPORT: Mr. Cook reported that the request for doing a joint venture with Historic Hawaii was presented to the Board. After some discussion the Board felt that Cline Mann's presentation, "The Ahupuaa of Waikiki" was such a popular event that it would deprive OCC members from attending because it could only accommodate 175 people. Therefore the Board denied the request. Their recommendation was to contact Historic Hawaii, inform them of decision and suggest they proceed to do it on their own.

Discussion on Video taking of the Macfarlane Regatta ensued. It was said that Mrs. Black's daughter would be unable to do the video. After some talk, Mr. Barnhart will consult with his son to see if he would be able to do the video. Mr. Cook suggested to get together with Diane Stowell, if son is interested. He said Ms. Stowell will be able to advise of the layout.

BUDGET: Mrs. Del Piano reevaluated the Historical Committee's Budget-Five Year Plan 1992-1996 with her Committee. Project descriptions and amounts allocated for each year were discussed. After some discussion on cleaning and polishing trophies Mrs. Del Piano suggested having a trophy cleaning party. She will check on it and report at the next meeting.

COMMITTEE REPORT NEWS CLIPPINGS: Mrs. Brightman had nothing to report on news clippings.

A discussion on whether to add a present e.g., fruit basket, flowers or continue to send just a get well card to committee members came into question. It was the decision of the Committee to continue to adhere to current procedures.

ORAL HISTORIES: Ms. Moore reported there is no update on Pam Anderson's oral history as of yet. Efforts have been made to get and complete her oral history to no avail. Mr. Pratt reported that Neal Ifversen is very anxious to do an oral history. Mr. Pratt will attempt to get some information on Neal Ifversen before proceeding with the interview.

Mrs. Young recommended that oral histories should be done on all Winged O' members. She suggested a list be made and presented to the Historical Committee for review and discussion.

Mrs. Del Piano will contact Vera Forbes to see if she would be interested in interviewing oral history candidates.

LIBRARY AD HOC COMMITTEE: Deferred

SPECIAL EVENTS: Mrs. Brightman reported that she is awaiting a reply from Mary Fry as to when she will be available to work with the Historical Committee. After some discussion it was certain that there would be a conflict to have the bathing suit fashion show during the football season. Mrs. Del Piano will write Mrs. Fry a letter informing of the change.

SENIOR MEMBER BACKGROUND: Deferred

SLIDE SHOW: Deferred

DISPLAY: Mrs. Young reported that she has written letters to three people asking their assistance in helping to locate materials for the Bob Krause Slide Show display. She informed that the State Archives do not loan their articles out. The committee

provided some names of members that possibly could contribute articles for the display. Monies for supplies were requested. Mrs. Del Piano suggested to wait and see what is obtained first. The deadline for gathering articles for showcase is July 10. Mrs. Brodhead will assist Mrs. Young.

MACFARLANE REGATTA VIDEO :Mr. Barnhart will check with his son.

NEW BUSINESS:

OTHER: Mrs. Del Piano questioned whether negatives should be made of some pictures that were returned to her. "Wonderful pictures of the forties", said Mrs. Del Piano. No decision reached.

NEXT MEETING: THE NEXT MEETING WILL BE HELD ON THURSDAY, AUGUST 6, 1992 AT 5:00 P.M. IN THE BOARDROOM.

ADJOURNMENT: The meeting was adjourned at 6:15 p.m.

MEMORANDUM Ju.y 19, 1991

TO: Kehau

FROM: Marjorie

Re: Kodak Projectors

I have made a few calls...and...for what they are worth.....

*City Arts.....	Model 4400	$345.00 with zoom + tax
	Model 4600	$410.55 " " + tax

B&H (Olive Schoenberg Dole has been dealing with this company for years and feels they are very reliable)

As you see they advertise extensively in POPULAR PHOTOGRAPHY.

I called them and was given the following prices:

Model 4200	$159.00	
Model 4400	$213.00	- Zoom $75, fits all models.
Model 4600	$268.00	
80 slide trays	$5.70 2x 20.00 Frt.	
120 slide trays	$8.85	(Personal experience suggests 80 slide trays. 120s tend to stick. However, some of your speakers may require 120)

COSCO I went out to COSCO. They had only Kodak print film, and when I asked about Kodak projectors was told they didn't carry them....Perhaps their policy has changed, but I do know they have carried slide film in the past.

*City Arts gave me prices for only two models. They recommend the 4600 model. It is their most popular model. The prices shown are discounted.

HIGHLIGHTS FROM THE CAREER OF RAY JEROME BAKER - 1912-1935: Dean of Hawaii's Photographers - A composite of Baker's motion pictures photographed in Hawaii and taken from the collection of Robert E. Van Dyke and Gladys R. Van Dyke. Edited and titled by the Hawaii Film Board for this CELEBRATION .

"R. J. Baker, Photographer, Publisher of Fine Books, Moving Pictures, Lantern Slides" -- This sign over Baker's studio was a Waikiki landmark for many years. Ray Jerome Baker, long-time Honolulu photographer and naturalist, was the owner of one of the world's most extensive collections of Island pictures photographed by himself and others. A large collection of stills is in the Bishop Museum collection; stills and all of the motion picture footage which remains is in the Van Dyke collection.

Baker was born in 1880 in Illinois. In 1908 he and his wife visited Hawaii for what was to have been a two-week vacation. This stretched into four months, and two years later they moved to the Islands.

During the 1920's Baker was a newsreel photographer traveling through the South Pacific and a lecturer on Hawaii on the Mainland's Chautauqua circuit. His photographic specialties were Hawaii's scenic beauty and multi-racial population, as well as early-day Honolulu. He took the only motion pictures of the funerals of Queen Liliuokalani in 1917 (the United State's only Royal funeral), and of Prince Jonah Kuhio Kalanianole, in 1922. This footage is part of the HIGHLIGHTS seen in this program. The entire contents of this composite of Baker's motion picture work are as follows: (1916 - 1935)

Gentleman:

The Outrigger Canoe Club of Hawaii is trying to locate a copy of the videotape of Duke Kahanamoku when he was on your program, "This Is Your Life." Duke died in 1968 so it would have appeared before then.

I have talked with Mrs. Nadine Kahanamoku, his wife, and Mr. & Mrs. Sargent Kahanamoku, his brother and sister-in-law, and neither of them has a copy.

We have extensive files on Duke and if possible would like to add this tape to our collection; he was a very active member of our Club and came almost daily to swim and surf.

We are justly very proud of him and hope you can understand that, if it is at all possible, we would greatly appreciate the opportunity to purchase a copy of this tape.

Thank you for your help in this matter.

Very truly yours,

RE: "THIS IS YOUR LIFE...DUKE KAHANAMOKU"

Dear Ms. McMahon:

In response to your letter dated August 7, 1992, we have had the long standing policy, for reasons both legal and practical, of sending a copy of the show only to the subject, or if he or she is deceased, to the subject's closest living relative. However, if Ms. Kahanamoku were to request a copy in writing, we would be glad to send her one.

Sincerely,

I received a letter from our past president, Harwood D. Williamson, dated June 21, 1991. After reading all correspondence, I was very impressed and forwarded a recommendation to the Executive Committee. At their meeting held on July 11th (I was not present due to a conflict in travel arrangements), the Committee requested the Club's Historical Committee consider your proposal. The Historical Committee reviews and makes all recommendations for Life membership to the Board of Directors. With the Board's approval, all names are voted by membership at the annual meeting held in February.

I commend you on an intriguing career in the U.S. Navy and have also referred to the Public Relations Committee a recommendation that excerpts of your military biography be featured in the Outrigger publication.

Thank you for enlightening me on this and hope we can resolve everything as soon as possible.

1 December 1990

Mr. Harwood D. Williamson, Pres.
The Outrigger Canoe Club
Honolulu, Hawaii 96815

Dear Mr. Williamson:

I became a member of our favorite club in July 1937. At that time I was an Ensign aboard U.S.S. SALT LAKE CITY which was one of the first heavy cruisers overhauled at the Pearl Harbor Shipyard. I was proposed for membership by Joe Kekona and Sam PoePoe. In SLC and my next ship, the aircraft carrier ENTERPRISE, we made frequent visits to Hawaii so aside from a year at Pensacola to earn my wings, I did not terminate my membership. I enclose a copy of my membership card reissued when I got out of Pensacola. Carlos Dogny, recently written up in "The Outrigger", was one of my surfing buddies.

After the Pearl Harbor attack and during World War II I enjoyed using the club during R and R periods. In 1956 my daughter, Dougie Gray, was U.S. National Freestyle Champion at 400 meters and she took the U.S. womens Olympic Swim Team to dine at the club as my guests en route to Australia. I last used the club in 1987 on my way back from the America's Cup races. (Admiral Johnny Hyland signed the chit).

I have expected that my long tenure as a dues paying member would eventually lead to some kind of recognition. The Chevy Chase Club is one of our nation's most distinguished. I have been a member for nearly forty years. Upon completing fifty years as a member at Chevy all dues are cancelled and a Life Membership awarded.

Since I have paid thousands of dollars in dues mostly to keep my name on the books would not a Life Membership or an Honorary Membership now be appropriate? I was the youngest Squadron Commander at the Battle Of Midway and one of the few still living, by way of justification.

I have a home in the Dominican Republic at which I have had the same staff since 1969 so my winter needs are looked after save for sentimental visits to Hawaii to renew happy memories. I was taught to ride a board by the Duke, himself and I spent many hours with Dad Center on the beach.

Thank you for your consideration.

Very sincerely,

Enclosures

Jim Gray

JAMES SETON GRAY 77

"Jim" Gray was born in Wisconsin in 1914 and at age sixteen he became well known there as the youngest licensed airplane pilot in the U.S. He was further distinguished as the first "double eagle" scout in that state (Eagle Scout and Quartermaster Sea Scout).

Appointed to the Naval Academy by the late Senator LaFollette, he was stroke oar of the Navy Crew prior to his graduation in 1936. After spending two years aboard the heavy cruiser SALT LAKE CITY, he won his Navy wings at Pensacola. He was then assigned to duty with Fighting Squadron Six, embarked in the U.S.S. ENTERPRISE. He was aboard that ship off Hawaii on 7 December 1941, and on February first 1942 he led the first offensive fighter sweep against Maloelap Atoll in the Marshall Islands. On this occasion he shot down two Japanese fighters which had completed firing runs on his airplane. His life was saved by improvised armor made of boiler plate which he had installed in his squadron's aircraft just before the attack. As Squadron Commander he led a fighter strike against Marcus Island in March 1942, and flew cover for the Doolittle Raiders as they were launched for Tokyo in April. At the Battle of Midway he shot down a seaplane scout, and led straffing attacks against Japanese Escort ships. After Midway he was relieved of his command by "Butch" O'Hare.

In 1942-1943 while serving as Commanding Officer of the fighter training squadron at Pensacola, he wrote "A to N for the Fighter Pilot" which was to become a fighter pilot's "Bible" in those years. He volunteered for night fighter duty in order to return to combat, and in 1944, after training Night Fighter Squadron 78 through the preceding winter in Rhode Island, he was again embarked in ENTERPRISE upon returning to the Pacific. His night victories included destruction of a four engine flying boat which had shadowed Admiral Halsey's Third Fleet since sundown on the night before the Battle of the Philippine Sea. Upon the loss of the day fighter commander in that action he again assumed command of all ENTERPRISE fighters. He became one of two carrier based night fighter pilots to achieve "Ace" status in World War II. At war's end he was Commander Carrier Air Group Three.

On VJ Day he reported to the U.S. Naval Academy as Aide to the Superintendent. After attending the Armed Forces Staff College as a member of the first class, he took command of Patrol Squadron Twenty-two which was deployed in the Western Pacific, including units in the Philippines and China, for the purpose of locating and tracking typhoons. In 1949 he became the original coordinator for the Chief of Naval Operations of the Navy's all-weather flying program. He authored the "All-weather Flight Manual, U.S. Navy", and served as liaison officer to the Royal Navy and the R.A.F.

In 1951 he was ordered as Executive Officer, U.S.S. CORAL SEA, and remained until assigned as the first operations officer of the Fleet Air Mediterranean staff in Italy. While in Europe he proved the feasibility of all-weather low level nuclear delivery while flying to various parts of Europe while other traffic was grounded by weather. One such flight brought an official protest from the government of France when he flew up the Rhone River to Geneva under an overcast which barely permitted him to clear the dam at Genessiat. After graduating from the Industrial College of the Armed Forces in 1955 he became Nuclear Weapons Planning Officer for Admiral Jerauld Wright, then Atlantic Commander in Chief. In that capacity he was instrumental in shifting Navy attack plans from high altitude supersonic flight to subsonic terrain following delivery. In 1957 he was assigned to the Joint Staff Advance Study Committee where a nuclear war game result was presented to President Eisenhower at the White House. The study was very favorable to the survival capability and striking power of the Navy. Command of three warships followed, the last being the U.S.S. CORAL SEA upon her recommissioning in 1960. Although deployed to the Western Pacific in winter after a work-up of under half the normal time, the ship won the Engineering "E" and was runner-up for the Battle Efficiency award for that year. Gray was made an honorary citizen of Vancouver B.C. when CORAL SEA became the largest ship ever to enter that port, breaking a record set by H.M.S. Hood in 1928.

He concluded his naval career as Deputy Commandant, Armed Forces Staff College after a tour as Deputy Assistant C.N.O. for Plans and Programs..

Since retiring from the Navy in 1966 he has earned M.A. and M.B.A. degrees at The George Washington University, and completed his residency for a doctorate in political science at Georgetown University. He is currently an investor with interests in several states, the District of Columbia, and the Dominican Republic where he maintains a second home. His wife is the former Helen Pogson Ariza, first woman sociologist of Latin America, and a decorated heroine of her native Dominican Republic. He has two married daughters. He is a member of the Chevy Chase Club, The Outrigger Canoe Club of Hawaii, the American Fighter Aces Association, and the Navy League of the U.S.

Decorations: Treasury Department Gold Life Saving Medal; 5 Distinguished Flying Crosses; 5 Air Medals; 2 Presidential Unit Citations; 2 Navy Unit Commendations; Joint Services Commendation Medal; Expert Rifleman; Expert Pistol Shot.

Dear Ralph:

I believe you have received correspondence from Mrs. McMahon of the Outrigger Canoe Club in regard to securing a copy of the "This Is Your Life" Duke Kahanamoku tape. I understand your policy is to send a copy only to the closest relative - which is me.

Ralph, I would very much appreciate it if you could send me a copy of the tape. I will keep it, but, because of Duke's long association with the Club, I would like to be able to loan it to them for special occasions.

Thank you very much for helping me on this.

CALL TO ORDER: The meeting was called to order at 5:00 P.M.

APPROVAL OF MINUTES: The minutes of the August 6, 1992 meeting were approved as corrected.

COORDINATING DIRECTOR'S REPORT: Mr. Cook reported that he had spoken to the Club Manager and the Board regarding the ownership of the photographs that appear in the Bulletin. It is their belief that because the Club pays for both the film and the processing, and because Mrs. Kali is paid by the Club for editing, the photos are the property of the Club. Mrs. Costa said that is not necessarily so and depends on the agreement between the photographer and the Club. A discussion followed on whether, for safety reasons, the negatives should be stored on Club premises. It was decided that the Photo Committee will study the matter further and make a recommendation to the full committee at a future date.

COMMITTEE REPORTS:

NEWS CLIPPINGS: Mrs. Brightman thanked the committee for the get well card which she received because of recent surgery, as well as visits by various members. She reported that as of last month the scrapbooks were up to date and as soon as she is able, she will complete the current month.

ORAL HISTORIES: Mr. Pratt reported that he has completed the history of Neal Ifversen and has turned the tape over to Ms. Moore for transcribing. He said it was a good tape and has some interesting information regarding the war years. It was

suggested that Mr. Barnhart might be a good candidate for an oral history. Mr. Pratt reported that he has already discussed it with Mr. Barnhart.

Mrs. Del Piano reported that she received a message from Vera Forbes and that she would like to serve ont he Oral History Committee and will be in contact when she returns from a trip.

LIBRARY AD HOC COMMITTEE: Mr. Higgins reported that nothing has been done lately but that he will get things going in the near future.

SLIDE SHOW: A discussion was held regarding the next slide show. Mrs. McMahon reported that she has been in contact with Ralph Edwards productions and Nadine Kahanamoku regarding the acquisition. of the "This is Your Life" program which featured Duke. Mrs. Black suggested Joe Brennan as a possibility to do this since he has written a book about Duke. De Soto Brown and Mike Wilson were also suggested. It was decided to wait until we get further information on the Duke show before making any other contacts.

DISPLAY: Deferred

PHOTO COMMITTEE: Mrs. McMahon reported that she and her committee members have met on the last three Mondays. They are presently concentrating on the photos in the bar, starting with replacing stained mats on photos of Duke and A.H. Ford. Mrs. Sandelin will get estimates from three framers: Kea's Studio, Juniper Arts and Hawaii Kai Framing.

The committee was concerned about damage to the walls from the screws but Mr. Cook and Mr. Thomas believe that our maintenance man, Domi, can repair any damage and this should not be a concern.

Mrs. McMahon also reported that Mr. Ludwig asked about additional photos of Duke for the Duke Kahanamoku Room. The committee will also work on that project. She also reported that her committee has gone over the Reynolds Burkland negative file and found that everything is correlated and accurate. They will continue to use his system.

Writing/ Research: Mrs. Black has worked with J. Pratt on how to do the "Blackward Glances" articles. Mrs. Del Piano did July, August, and September. Mrs. Black has completed October, November and December: Miss Pratt did January, February and March. Mrs. Black will contact Maggie Parks who is scheduled to do April, May and June.

Dear Gladys & Robert:

Mahalo Nui Loa, to you both, for an historically wonderful evening. The Outrigger Historical Committee and I feel very fortunate to have viewed your Baker Film Collection. Your commentary Robert, was especially enjoyable in bringing the film to life and how fortunate for Hawaii that you are the custodian of Mr. Baker's legacy. Thank you, too, for letting the Outrigger Display part of your fabulous collection in our lobby showcase. The showcase together with the bulleting article drew 177 members and guests to enjoy your fine collection of Mr. Baker's films.

I have received many verbal compliments from those who attended the movie on the content and quality of your fine presentation.

I thank you for your time in coming to the Outrigger and appreciate your sharing so valuable a resource with us.

HISTORIC BAKER FILM SHOWING A SUCCESS

The Robert E. Van Dyke lecture and showing of Mr. Ray Jerome Baker's movie footage was attended by 177 members and guests. Mr. Van Dyke gave a very spirited, and colorful running narrative as the sepia film brought to life moving scenes of Hawaii's past. Covering the periods (1916-1935) gave a fairly comprehensive view of what Island life was like back then. The Outrigger Canoe Club, as well as some of her members shown surfing and canoeing, was well represented in beach scenes circa 1920. Mr. Van Dyke also provided a second surprise film featuring some rare footage of individual residences, and the first Aerial photo of downtown Honolulu taken from the slopes of Punchbowl.

The Historical Committee thanks all of you that attended Mr. Van Dykes presentation. We appreciate your interest in Hawaii's historic past and shall continue to present more opportunities of Historic interest in the future.

Coming up in February '92 the Historical Committee will feature Club member, Cline Mann, as guest speaker. The topic will be on Waikiki and land division. More details will appear in the January '92 issue of the Outrigger Bulletin, so plan ahead.

Aloha and see you in February.

In the last 8 years, the average attendance was 314 with the lowest in 1985 of 207 and the highest in 1989 of 386. It continues to be a challenge to management to meet the desirable attendance of 320. A discussion followed on why there has been a downward trend the past few years. SLIDE SHOW : Mrs. McMahon reported that she sent a letter to Mrs. Nadine Kahanamoku for her signature. It will be forwarded to Ralph Edwards Productions to try and obtain a copy of the "This Is Your Life: Duke Kahanamoku" tape. This may be used in place of the slide show.

PHOTO COMMITTEE : Mrs. McMahon mentioned that the" Help Yourself Photo Bowl" at the Front Desk in the Lobby has only 85 photos left. She has sent a letter to Editor, Marilyn Kali, requesting assistance in procuring photographs from her collection if possible.

Mrs. McMahon reported that, after some difficulty, she was able to reach by telephone Thomas Scoop Tsuzuki's son regarding the possibility of obtaining any photographs in his father's collection that he would be willing to share with the Club. He will be phoning at a later date when he has gone through the boxes of photographs. The committee expressed enthusiasm as Mr. Tsuzuki photographed many Club events throughout the years.

The Bar area wall photographs will require one more meeting with the Chairperson to finalize plans to replace some of them. Three will be changed on the wall by the side bar. It was decided that a meeting should take place after tonight's committee meeting. A report will be given at the next Historical Committee meeting.

WRITING/ RESEARCH : Mrs. Black was unable to attend the meeting. An oral report was given by Ms. Maggie Parks who reported that she will do "Backward Glances" articles as requested. The deadline for the April issue is early February.

RECEPTION COMMITTEE : Deferred

NEW BUSINESS :

STATUE OF DUKE KAHANAMOKU IN WAIKIKI : Mr. Thomas suggested that the Club might be able to assist in the replacement of the plaque on the statue of Duke

Kahanamoku in Waikiki. It was noted that the artist has not yet been paid completely for the work done and that he is unwilling to release the replacement plaque. members of this development. It was suggested that if the "This Is Your Life: Duke Kahanamoku" should occur, an additional $1.00 or so be added to the cost of the dinner and contributed to the Duke Kahanamoku Foundation.

MISSING BULLETINS : Mr. Thomas has an new inventory of Outrigger Bulletins that need to be replaced. It was mentioned that Mr. Arthur Smith had a full-bound collection. Bulletins from 1965 - 1969 are missing from our archives.

It was suggested that an advertisement in the Bulletin could possibly generate lost or missing copies needed to complete the sets.

NEXT MEETING : THE NEXT MEETING WILL BE HELD ON THURSDAY, NOVEMBER 5, 1992 AT 5:00 P.M. IN THE BOARD ROOM.

ADJOURNMENT : The meeting was adjourned at 5:40 P.M. The photo sub-committee convened regarding Bar area wall photograph changes.

Dear Mrs. Kali:

Barbara Del Piano has asked me to write you as Chairperson of the sub-committee on photographs. We are trying to redefine the categories of photographs, as well as add to our collection. Also at the present time, we are starting to change the pictures in the Bar area, but the ones up now have set such a high standard that the choices for replacements are not many.

We do not have a method or outlet for procuring photographs, but feel it is important to keep adding to our files. It is possible that you may have your collection listed or indexed in such a manner that it might be available to us for occasional reference for use, to some mutual advantage, perhaps.

Any consideration you can give to this letter, or any suggestions you could give us would be greatly appreciated.

Sincerely,

Eugenia McMahon

TO: Ms. Kehau Kea,Chair, OCC Historical Committee
FROM: Joe Mrantz
DATE: October 3, 1991

Dear Kehau,

As you know, a decision was made at our last Historical Committee meeting on September 5, 1991 that it would be more appropriate to wait until the club's 100th year (the year 2008) before we should produce another book to update the history of the club, instead of doing so for the 85th anniversary.

That being the case, the need to form a subcommittee at this time for the purpose of working on such a book is obviated, and, since the project will now be targeted for some 16 years hence, it should not be a factor for any action at this time nor for inclusion in the upcoming 5-year plan.

Several ideas and possibilities were discussed at the September 5th meeting, as you will recall, that could prove beneficial to the club itself or to the ODKF (including some ideas proposed by Mr. Robert Van Dyke who was a guest at the meeting), but it was the general consensus that none fell in the domain of the Historical Committee.

I have been in touch with Ward Russell and have asked him to include his views either in this memo or separately if he chooses, on this matter.

Thank you for thinking of me when you initially set out to form a subcommittee to work on this project.

As I mentioned to you on the phone last week, I'll be on vacation on the mainland when our next meeting takes place, but of course will be back for the one in November. See you then.

HISTORICAL COMMITTEE MEETING
THURSDAY, 5:00 P.M.

Nov. 5

PRESENT : B. Del Piano, Presiding; C. Black, A. Brightman, M. Costa, ~~J. Garner~~, E.C. Higgins, D. Jocelyn, E. McMahon, M. Moore, J. Mrantz, M. Parks, J. Pratt, K. Pratt, C. Remillard, J. Ward Russell, R. Suganuma, T. Thomas, M. Young, ~~T. Young~~.

APOLOGIES : B. Barnhart, E. Brodhead, M. Sandelin, T. Young

BY DESIGNATION : G. Cook, Coordinating Director

CALL TO ORDER : The meeting was called to order at 5:04 P.M.

APPROVAL OF MINUTES : The minutes of the October 1, 1992 meeting were approved as corrected and re-distributed.

COORDINATING DIRECTOR'S REPORT : Mr. Cook announced to the committee that Ms. Gerri De Benedetti was selected Assistant Editor to the Outrigger magazine effective January 1, 1992.

Mr. Cook happily reported that the Kamoi', an OCC canoe, on loan at the Hanalei Bay Resort, was not damaged during Hurricane Iniki on Kauai. However, this reminded us of the possibility of losing the canoe, so it was determined by the Board of Director's to make sure it is properly insured.

The Marketing Committee, chaired by Mr. Chuck Swanson, continues to promote Club activities that appeal to the wide variety of membership.

The Public Relations Committee wants to hold a non-historical event in January. Details will be reported at the next meeting.

CHAIRPERSON'S REPORT : Mrs. Del Piano announced that each year committees meet for an annual dinner as guests of the Club. Pending Board of Directors' approval, the Historical Committee would like to request that Thursday, December 3, 1992 at 6:30 P.M. in the Koko Room be designated for that occasion.

COMMITTEE REPORTS

News Clippings : Mrs. Brightman reported that inventory of pages in annual folder show 1991 is up to date with 21 sheets of 42 pages and for 1992 there are 10 sheets of 20 pages. There was an inquiry as to where to put such items as menus that are not appropriate for the "This and That" album.

Oral Histories : Mrs. Moore reported that Mr. Ifversen delivered his oral history. She stated that she had found an article missing since July 16, 1991 in the Historical Committee cabinet, which was not there last time she looked and wondered how it got there. Mrs. Del Piano explained that the previous secretary put things there upon her departure. Mr. Cook said he was glad to hear that it was recovered.

It was suggested that Tommy Haine might be a good candidate for an oral history. Bill Barnhart is also a possible candidate. It was noted that there were other past presidents on the list to consider.

The Board of Directors approved Ms. Vera Forbes to do interviews for Oral Histories. It was reiterated that the interviewer be familiar with the Club and be capable of conducting interviews, as some can be quite difficult to do.

It was suggested that another letter be written to Ms. Forbes asking her if she might attend, as a guest, one of the meetings to become familiarized with the committee.

Library Ad Hoc : Mr. Higgins reported that he has a third copy of the "Saga of the Sandwich Isles". They are worth about $250.00 apiece.

Mrs. Brightman and Ms. Remillard volunteered to assist Mr. Higgins with the library.

Special Events : Deferred

Senior Member Background : Deferred

Slide Show : Mrs. McMahon reported that Mrs. Nadine Kahanamoku received the tape requested from Ralph Edwards Productions of "This Is Your Life, Duke Kahanamoku". Mrs. Del Piano, Mrs. McMahon and Mrs. Costa will meet with her to view the tape. Mrs. Kahanamoku requires that the Outrigger sign an agreement that this tape will be returned and not duplicated or loaned out.

Photo Committee : Mrs. McMahon reported that she has written to Ronald Toguchi regarding his late father's ("Scoop") photo collection and is still awaiting his reply.

Mrs. McMahon noted that two of the photographs that have been reframed or rematted are already up in the Bar area and others are still at the framers. She was pricing the signs that would describe each picture and it was suggested that the Executive Office laser printer might save the committee the expense of sending this job out. It was requested that the secretary make a few type samples to show the committee.

Mrs. Young stated that the members of the Historical Committee should decide which pictures to replace. It was noted that the sub-committee job description states that all the pictures be changed, however, Mrs. Del Piano felt that it should be the decision of the committee as to how many should be replaced. Mrs. Del Piano commended Mrs. McMahon and her committee on the excellent job they are doing. It was noted that it has been ten years since the last picture changes. Mrs. McMahon suggested that there were too many "old" pictures and that more recent photos be included in the display. Some committee members wish to approve the photos to be replaced. It was mentioned that there is the need for more membership input and that a more detailed report would be presented at the next meeting.

Writing/Research : Mrs. Black suggested Mr. Joe Brennan do a presentation of Duke Kahanamoku to augment the "This Is Your Life" film if necessary. He has written a book about Duke. It was noted that Mr. Brennan might have some amusing insights on Duke's younger days.

Mrs. Black also mentioned that the Bishop Museum would like to get more involved in the community and has speakers available for presentations. Mrs. Del Piano reported that Stateline Media can provide tapes of OCC events which appear on TV or Radio. If not contracted they charge $35.00 for TV and $25.00 for Radio and $28.00 and $20.00 if they are contracted. The committee expressed interest in using their services for such events as the Fourth of July Races.

Reception Committee : Deferred

Statue of Duke Kahanamoku in Waikiki : Mrs. Del Piano expressed her opinion that the Club not get involved with the plaque as there is $54,000 owing on the statue, which is why the plaque is being held up.

Missing Bulletins : Mr. Thomas suggested that a possible reason why there is a gap in the bulletins during 1960 - 1963 was that there may have been none because of the club move in 1964. He noted that his own personal records also have the same gap. It was noted that during that time there was a considerable drop in membership. He mentioned that Mr. Ronald Q. Smith had all the magazines from 1948 through 1959 bound and that they are all here.

NEXT MEETING : THE NEXT MEETING WILL BE HELD ON THURSDAY, DECEMBER 3, 1992 AT 5:00 P.M. IN THE BOARD ROOM WITH THE ANNUAL DINNER TO FOLLOW AT 6:30 P.M. IN THE KOKO ROOM.

ADJOURNMENT : The meeting was adjourned at 6:12 P.M.

MINUTES : Linda Salmaggi, Secretary

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING
THURSDAY, DECEMBER 3, 1992 - 5:00 P.M.

PRESENT : B. Del Piano, Presiding; B. Barnhart, A. Brightman, M. Costa, E.C. Higgins, D. Jocelyn, E. McMahon, M. Moore, M. Parks, J. Pratt, C. Remillard, J. Ward Russell, M. Sandelin, R. Suganuma, T. Thomas, M. Young.

APOLOGIES : C. Black, J. Garner, J. Mrantz, A. Quigg, T. Young, E. Brodhead.

BY DESIGNATION : G. Cook, Coordinating Director.

CALL TO ORDER : The meeting was called to order at 5:05 P.M.

APPROVAL OF MINUTES : The minutes of the November 5, 1992 meeting were approved as corrected: (J. Garner was not present, T. Young was not present).

COORDINATING DIRECTORS REPORT : Mr. Cook reported that the 1993 budget shows an increase of 3% over 1992. The budget is nearly balanced, and considering economic problems, doing as well as expected. There is a long list of new members which fill in spaces of those members who are deceased or have resigned. There was a consideration by the Board of Directors to establish a new committee to consider enlarging the list of new members admitted.

COMMITTEE REPORTS
News Clippings : Mrs. Brightman reported that inventory of pages in the annual folder show that for 1992 there are 20 sheets of 40 pages. She stated that for a long time the 1979 album has been missing; now the 1980 album is also missing from the locked drawers. Mrs. Moore asked the secretary if she has given the keys to anyone. Ms. Salmaggi noted that the only people she gives the keys to are committee members who request them. Mrs. McMahon noted that she has contacted Mr. Ludwig about the problem and that even the maintenance department does not have the keys. It was suggested that it might be time to change the locks and will enlist Mr. Ludwig's assistance in the matter.

Mrs. Brightman has not done anything yet on "This and That" and asked for a volunteer to help her. Ms. Pratt volunteered to assist.

A Get Well card was sent to Tsulan Young, who was in the hospital.

Oral Histories : Mrs. Moore reported that the interview with Neal Ifversen has been typed and proofread and final corrections will be made. Pam Anderson's oral history is also in the final stages. It was suggested that Spence Weaver should be considered a candidate for an oral history, but he is currently in poor health.

Library Ad Hoc : Mr. Higgins reported that Mrs. Anne Simpson has donated a copy of "Saga of the Sandwich Islands" to the Club. He called to thank her and she stated that a written note was not necessary. However, the committee recommended that a letter be sent as she may wish to use the donation as a tax deduction.

Special Events : Deferred

Senior Member Background : Mr. Thomas reported that he has been doing an ongoing list of Senior and Life Members since 1986, with columns noting Date Joined, Date of Birth, Years as Members, Years of Service (President, Vice President, Secretary, Treasurer, Director, Chairperson), and if an Oral History was done or is in progress. This list is done chronologically by age with 305 Senior and Life Members, 11 of whom are over 90 years old. There are 91 members over 80 years old. The **Criteria For Life Membership** **(Addendum A)** was discussed and it was noted that the Board of Directors had received and accepted it, but that date could not be determined.

It was stated that this committee was set up to make recommendations to the Board of Directors for Life Membership. The standard is determined by a member's active service on the Board, not just serving on committees. It was decided that the committee will not make any recommendations to the Board for Life Members this year. It was mentioned that nowhere on the criteria is it stated that a member be a resident. Life Members are an exclusive group and should remain so.

Mrs. Del Piano commended Mr. Thomas for all his diligence on the project.

Slide Show : Mrs. Costa reported that a she and Mrs. Del Piano recently viewed a series of very old, one of a kind, travelogues which were recently restored and presented at Bishop Museum. Mr. De Soto Brown would be happy to show these films at the Club. A tentative date has been set for March 15, 1993. Mr. Brown is presently on vacation. Mrs. Costa will contact him when he returns.

Mrs. McMahon reported that "This is Your Life Duke Kahanamoku" runs 30 minutes long and would be of great interest Club members and that the program, to be held sometime in April, could include a few old-time members reminiscing on his life. Mrs. Del Piano said that in order to show the video on a large screen, a video projector is needed. Rental fees run about $350.00, but there are other sources and further details will be available at the next meeting. It was noted that, if needed to cover this expense, an additional few dollars might be added to the meal cost. It was noted that the first slide show had a $1.00 charge.

It was mentioned that, in conjunction with Dukes' video, the committee consider a video of the Swimming Hall of Fame, consisting of prominent swimmer and diver inductees, which is sure to include Duke.

Photo Committee : Mrs. McMahon reported that the pictures for consideration in the Bar area are displayed for committee review after the meeting. If there are any objections, she asked that she be informed. A sample of the typeface for the signs displayed beneath each photograph was reviewed. It was decided that Linda, secretary in the Executive Office, would print the signs on the available menu stock paper. These signs would then need to be cut and framed accordingly.

Mrs. McMahon also said that she spoke with Mrs. Kali and asked if it would be possible to see her index of photos.

Mrs. McMahon brought up the need for a policy to cover the borrowing of photos from our files. Mr. Russell said that several years ago he wrote an extensive series of policies for the Committee and

that it was filed in the office. Mr. Russell also suggested that the Board hire an archivist to take charge of the committee's materials. No decision was reached. Mrs. Del Piano will try to locate the policies by the next meeting.

Writing/Research : Mrs. Black was unable to attend the meeting, but Mrs. Del Piano received a call from the Public Relations Committee saying Marilyn Kali had not received copy for "Backward Glances" for the January issue. This may have been misplaced. Ms. Pratt turned in a second set.

NEW BUSINESS : None

NEXT MEETING : THE NEXT MEETING WILL BE HELD ON THURSDAY, JANUARY 7, 1993 AT 5:00 P.M. IN THE BOARDROOM.

ADJOURNMENT : The meeting was adjourned at 6:25 P.M. The Historical Committee Annual Dinner in the Duke Room followed.

MINUTES : Linda Salmaggi, Secretary §

MEMORANDUM

December 5,1991

FROM: LIBRARY AD HOC SUBCOMMITTEE

TO: CHAIRMAN, HISTORICAL COMMITTEE

SUBJECT: LIBRARY USE

I Anita Brightman, Eugenia McMahan, and I met on November 18, 1991 to review the library use situation. Anita and Genia both had opened the library for several hours each time with notification posted in the lobby of the club near the "sign in" desk. They both reported almost no response from the members transiting the lobby. We discussed the situation and have come to the following:

1. Saturday is not a good day to have the library open.
2. The objective is to get the library used by interested people.
3. The most interesting items in the library are the Oral Histories.
4. The real need is to be able to open the library by appointment for somebody that wishes to see the collection in support of personal or professional research objectives. The Ad Hoc Subcommittee members want to respond to this interest.

II We decided that we would propose to the Historical Committee that:

Anita, Genia, and Chip would be available on an appointment basis to open the Library and supervise its use. We three would have our telephone numbers available at the club's front desk for call by the receptionist if anyone inquires about the library's availability. The receptionist would then put us in touch with the interested individual. We would also periodically place notification of our availability for call in the Outrigger.

Further we think that a second copy of the Oral Histories should be available for review in the Library. This review would occur under our supervision. This item will require further discussion within the Historical Committee.

III Please call me (373-4525) at your convinience if you have any question. Have a great holiday.

Respectfully,

Chip

Dear Kehau,

Recently someone from the Club interviewed Dr. Beardmore. Certainly my siblings, and I particularly, would like to know our father better, as many would. Please let me know about the archival material concerning him. I would like to know how it is accessible; i.e., whether it is better for you to send a copy of the interview, or to come in to look at it.

Thank you very much for your attention.

Wishing you peace and happiness and a very merry Christmas.

Sincerely, Jamie Beardmore
