Louis Dolan brought his family album with photos of the Club in earlier days. These will be available for use by the Committee if needed.

A poll by the Chairman indicated that all members present had read Mr. Yost's first draft of the History. He asked for discussion by the members. Remarks were as follows:

Mr. Kea: More local color vignettes are needed to balance the rather heavy references to Club finances.

Mr. Russell: More names are needed. More anecdotes, such as the formation of the Kamaaina hui, or the story about the refurbishing of Club bar.

Mrs. Jackson: The name of Buster Crabbe is missing. How about the story of the canoes being ordered off the beach by the new Sheraton manager. The beach boys and their colorful names should be mentioned.

Mr. Stickney offered Mr. Yost some detailed written notes. He suggested research on proper names (Albert instead of Alfred). More detail is needed on the HRT trolley lines. War-time problems should be mentioned (rationing, etc.).

Mr. Bond has given notes of his own to Mr. Yost.

Mr. Castro: Perhaps it is time to start choosing the pictures and the illustrations for the book. A committee on style could start helping Mr. Yost with the consolidation of the material.

Mr. Sommerfeld: The beach boys should be interviewed for further anecdotes. Perhaps an evening meeting with the beach boys would help.

The Chairman appointed an Editorial Committee of Mr. Russell, Chairman, Mr. Kea and Mrs. Jackson.

The Chairman complimented Mr. Yost on his efforts, which sentiment was echoed by the members present. In reply, Mr. Yost indicated that his objective in this history is to identify the Club with Honolulu growth, as well as recording the Club's role in the revival of surfing.

The Committee approved a special payment for typing assistant for Mr. Yost in the amount of approximately $94.00.

The meeting was adjourned at 6:30 p.m., until the next meeting on Tuesday, February 10, 1970 at 5:00 p.m.

Respectfully,

Alex. Castro

Mr. Mann stated he is acquainted with Mr. Williams, whereupon Mrs. Jackson asked Mr. Mann to contact Mr. Williams with respect to this matter.

PRESENT — Charlie Bond, Chairman; Mariechen Jackson; Dr. Molyneaux; Frank Jeckyl; William Kea; Joe Stickney; Frank Sommerfeld; Kehau Stowell; Tommy Thomas

SUBJECT — Memo from Harold Yost re: Archivist.

DISCUSSION — Mr. Jeckyll moved that we pay an archivist dues and $25.00 credit towards bar and meal costs at the club. Mr. Molyneaux and Miss Jackson agreed with him. Mr. Jeckyll agreed with the job description. Mr. Thomas believed that there should be a basic rate plus an hourly rate for the first month or so. Mr. Jeckyl felt that this should not be necessary, but , that the job should be made for one year contracts,so that work would even out. Mr. Kea felt that the expenses of an archivist should be paid by the Club. Mr. Thomas felt that there should be an independent contractor, not a club employee. Mr. Bond moved that the archivist should be paid dues and $25.00 credit plus expenses, subject to review at any time a review was felt necessary. The motion was seconded and passed. Mr. Yost will write up the qualifications. Mr. Thomas suggested that control over use of the archives should be included in the job description.
It was moved, seconded and passed unanimously that the Committee strongly recommends to the Board that Kehau Stowell be offered the position of Archivist.

NEW BUSINESS — Kehau Stowell reported on restoration of pictures. Fifteen pictures were selected. Total price estimate from Martin, McArthur Enterprises was $242.78. It was moved, seconded and passed that the Historical Committee recommends to the Public Relations Committee that the Board of Directors be asked to appropriate approximately $250.00 for renovation of the fifteen photographs selected by the committee.
Charlie Bond was asked by the committee to attend the

next meeting of the Board of Directors and present our proposals.

ADJOURNMENT

The meeting was adjourned.

Prior to the meeting being called to order, Mr. Yost passed around a copy of the Olympic Club Centennial Edition of 1960 which, in his estimation, is an excellent format for a club history. He also submitted for examination by the members a letter from the James H. Barry Company of San Francisco quoting prices for an Olympic Club style book. This was filed for future reference.

The meeting was called to order by the Chairman, who announced that the purpose of the meeting was to receive notes that the Editorial Committee might have on Mr. Yost's draft of the Club history. It developed that the draft was being reviewed by Cline Mann and there was a delay being caused thereby. Mr. Mann promised that his review would be completed by May 18th. The Editorial Committee will meet next week to look over the first sixteen chapters. Mr. Mann is reviewing the history from Chapter 17 onward.

Mr. Yost reported he has ~~fellin~~ FOLLOWED through with a search for anecdotes, but most of them, so far, seem to be unprintable! There were several suggestions of people to be interviewed.

Mr. Yost expressed the feeling that an important chapter in the book should deal with the position of the Club as it is today. There should also perhaps be an indication from the President as to the plans for the future. There was a general approval of this idea by the members. Mr. Yost will follow with a memorandum to the Chairman on this subject.

It was generally agreed that in the history there should be no evidence of advertising or "patron" contributions.

The next meeting of the Committee will be on Wednesday, May 20th at 5:00 p. m. The meeting was adjourned at 6:00 p. m.

Respectfully submitted,

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - WEDNESDAY, MAY 20, 1970
HELD ON CLUB PREMISES AT 5:10 P.M.

PRESENT : Frank Sommerfeld presiding; Messrs. Bond, Jackson, Jeckell, Mann, Russell, Thomas, Yost

ABSENT : Messrs. Castro, Molyneux, Ober, Spierling, Stickney, Mrs. Stowell

APPROVAL OF MINUTES : It was moved, duly seconded and carried, that the minutes of the May 6th meeting be approved as circulated.

HISTORY : Mr. Sommerfeld read a letter dated May 15th from him to President Avery regarding the club history, to the effect that the committee needs more information on the present club, i.e., physical plant, activities, etc.

The Editorial Sub-committee reported it had met on May 12th and reviewed first sixteen chapters of the history, generally approving of same, and agreed that exploits of those who contributed greatly to the development of the club could be elaborated on.

The committee authorized Mr. Yost to spend up to $50 for the purchase of seven prints (4" x 5") from the Bishop Museum (and others), that will probably be used in the history, for committee review.

Mr. Yost and Chairman of the Editorial Sub-committee were asked to obtain cost of final typing (four copies) of the history for study prior to publication.

Mr. Yost stated he would contact Werner Stoy with respect to cost of photographs of present club, for possible incorporation in the history.

MEETING : The chairman announced that the Historical Committee would meet next on Wednesday, June 24th at five p.m.

ADJOURNMENT : The meeting was adjourned at 5:50 p.m.

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - THURSDAY, JULY 16, 1970
HELD ON CLUB PREMISES AT 5:00 P. M.

PRESENT : Mrs. Jackson, presiding; Mr. Castro, Secretary; Messrs. Jeckell, Bond, Yost.

HISTORY : Mrs. Jackson reported that the Editorial Committee had met on July 9th and the draft of the History had been reviewed and approved, except that Mr. Mann and Mr. Kea had not yet reported on their review as members of the Editorial Committee. The Secretary was requested to call Mr. Mann and Mr. Kea and urge them to accelerate their review so that all reviews would be finalized by August 1, 1970.

Mr. Yost reported that more money was needed to acquire copies of pictures to be found in the various archives. It was moved and seconded and unanimously carried that the amount of $50.00 be authorized from the Committee's budget.

It was generally agreed that a series of contemporary pictures of existing facilities of the Club be made available to the Committee. Mr. Yost reported that Werner Stoy of Camera Hawaii estimated $250.00 as the maximum cost of taking and developing these pictures. The Committee recommended that this amount be appropriated. The Chairman will have to take this matter up with the Board of Directors.

Mr. Yost indicated that, in line with the consensus of the Committee in previous meetings, there should be a message prepared by the current president as a final chapter of the History. The Secretary was asked to call Mr. Avery to remind him of this point.

Mr. Castro exhibited an enlarged photograph of the Honolulu area, taken from the top of Alewa Heights, which shows Punchbowl and Diamond Head unencumbered by highrise apartments, circa 1910. He suggested that a picture be taken from the same area today and that the existing photograph be part of the inside front cover of our book and the new picture be part of the inside back cover of the book. The Committee agreed and suggested that Mr. Stoy take this picture.

MEETING : The next meeting of the Committee will be on Monday, August 3rd at 5:00 p. m.

ADJOURNMENT : The meeting was adjourned at 6:05 p. m.

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - MONDAY, AUGUST 3, 1970
HELD ON CLUB PREMISES AT 5:00 P. M.

PRESENT : Mr. Sommerfeld, Chairman; Mr. Castro, Secretary; Mrs. Jackson, Messrs. Russell, Mann, Bond, Molyneaux, Stickney, Yost, Thomas, Costa.

REVISION OF MINUTES : The Minutes of the meeting of July 16th did not include the fact that the Editorial Committee had requested this Committee to obtain an appropriation of $200.00 for a scrapbook of photographs and that the suggestion was tabled for fear of getting the Historical Committee's mission confused at this time. Messrs. Russell and Thomas expressed agreement that such a need exists but that the project should wait for completion of the Club's History. A discussion followed, indicating that while this Committee should set up the scrapbook-keeping procedure, the daily duty should be that of the staff. At this point it was not clear to the Secretary whether the discussion involved a scrapbrook for photographs alone or two scrapbooks--one for photos and one for news clippings, etc. Perhaps this should be clarified at the next meeting.

Mr. Bond moved and Dr. Molyneaux seconded a motion that the entire scrapbook project be postponed until the History project is completed. The motion was unanimously carried.

HISTORY : Mr. Yost reported that all comments from the Editorial Committee are now in and that the entire History will be ready for final manuscript very soon. The Editorial Committee was asked to determine the cost of typing the manuscript and the price for the service. Mr. Yost reported that Viki Rouse had stated that she could to the job for $100.00, which appeared to be less than a fair price for such a service. The Editorial Committee will determine the matter and report back at the next meeting.

Mr. Yost reported that the request for $250.00 for photographs of the existing Club facilities had not yet been received from the Board. The Chairman asked for a motion to spend the $250.00 which, in his judgment, was an allowable expenditure by this Committee without Board action. It was so moved by Mr. Bond and seconded by Mr. Thomas and the motion carried unanimously.

Mr. Yost was asked to draft an appropriate chapter for the incumbent President's message regarding future plans of the Club. Mr. Yost indicated that he should have the pictures and final manuscript for the Editorial Committee in about two weeks.

MEETING : The next meeting of the Committee will be on Monday, August 24, 1970 at 5:00 p.m.

ADJOURNMENT : The meeting was adjourned at 6:00 p.m.

Respectfully submitted,

Therefore, it was moved, duly seconded and carried, that the job be awarded to Viki Rowse for this figure.

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - TUESDAY, SEPTEMBER 8, 1970
HELD ON CLUB PREMISES AT 5:00 P. M.

PRESENT : Mr. Sommerfeld, Chairman; Mr. Castro, Secretary; Mrs. Jackson, Messrs. Bond, Russell, Jeckell, Molyneaux. Also present were several members of the Public Relations Committee.

HISTORY : Mr. Yost reported that he was close to the final approval of the text for the printers, Viki being about one half way through typing of the manuscript. The review of photos has yet to be completed. Estimates of dummy costs are now due. Contemporary photos of club facilities have yet to be taken, Mr. Stoy having been commissioned to do this but having not been available until late this week due to an assignment on another Island.

BUDGET : The Chairman reported that the status of our appropriation is as follows: $1,000.00 for preliminary work; two subsequent appropriations of $3,000.00 each for additional work on the history. Through some accident these appropriations have not been recorded in the minutes of the Board although the Chairman recalls one $3,000.00 appropriation having been made by the Board. At his last meeting with the Board of Directors he was urged to proceed regardless of formal record of procedings. This appropriation should pay for dummy costs.

MARKETING : After lengthy discussion regarding the marketing of the finished book it was generally agreed that a Sub-committee from the Public Relations Committee should handle this task. The Chairman of the Public Relations Committee appointed Messrs. Woodrum and Kendall and Miss Collins to form as a Special Committee to recommend the marketing procedure. The Historical Committee meeting being over at 5:45 P. M, the Public Relations Committee meeting then commenced with the members of the Historical Committee as guests.

MEETING : The next meeting for the Committee will be on Tuesday, September 22, 1970 at 5:00 P. M. on the Club premises.

Respectfully submitted,

Alex Castro
Secretary

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - TUESDAY, SEPTEMBER 22, 1970
HELD ON CLUB PREMISES AT 5:00 P. M.

PRESENT: Mr. Sommerfeld, Chairman; Mr. Castro, Secretary, Mrs. Jackson, Messrs. Bond, Russell, Ward, Mann, Yost.

CORRECTION OF MINUTES: The Secretary reported that Mr. Yost was inadvertently deleted from those present on 9/8. Minutes have been corrected.

REPORT ON CONTEMPORARY PHOTOS: Mr. Yost passed around proofs of Stoy photos. Mr. Mann suggested close-ups of art work such as the "Brownley Canoe".

DUMMY: Mr. Yost: Estimates are being prepared by Edwards Enterprises and by Clement Lagundinao (now with Lennen & Newell). Format, as well as price, are factors in judging Dummies.

PROGRESS OF HISTORY: Mr. Yost: Some of his own suggested revisions of text have been submitted to the Editorial Committee. It will meet next week on Monday the 28th at the Club at 5:00 P. M.

MEETING: The next meeting of the Committee will be on Wednesday, October 7, 1970 at 5:00 P. M. on the Club premises.

ADJOURNMENT: There being no further business the meeting was adjourned at 5:45 P. M.

Respectfully submitted,

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - WEDNESDAY, OCTOBER 7, 1970
HELD ON CLUB PREMISES AT 5:00 P. M.

PRESENT: Mr. Sommerfeld, Chairman; Mr. Castro, Secretary, Mrs. Jackson, Messrs. Bond, Russell, Jeckell, Mann, Thomas.

EDITORIAL COMMITTEE: Mr. Russell reported that certain key members of the Editorial Committee had once again reviewed the text. The Committee - only the key members - also looked over the colored slides by Werner Stoy and have made suggestions for additional shots (i. e. helicopter view of the Club premises). The Editorial Committee believes that from these colored photos postcards and brochures could be developed as a new source of revenue. Mr. Bond moved and Mr. Thomas seconded the motion that this matter should be referred to the Public Relations Committee. The motion was passed unanimously. The Secretary was requested to draft a letter for our Chairman's signature.

DUMMY: Mr. Yost reported that the estimate for the Dummy from Mr. Lagundimao was $420.00. The estimate from Edward Enterprises is that it will be between $300.00 and $400.00 if they get the printing job but no more than $400.00 if they do not get the printing contract.

Mr. Yost passed around the latest book of the Hawaiian Mission Children's Society: "Missionary Album". The cost was $25,000.00 for 5,000 copies. It was done by Edward Enterprises. Other brochures were passed around such as the Hawaiian Electric Company, and Alexander & Bladwin. Mr. Jeckell moved and Mrs. Jackson seconded the motion that Edward Enterprises give us the Dummy at no more than $400.00. The motion was passed unanimously.

AUTHOR'S PAYMENTS: Mr. Yost stated that he had not been paid for his services for two months and inquired whether this Committee was operating within the budget. The Chairman stated that he would check the matter but reassured the Committee that the budget is okay and if the payments are behind time it must be a clerical delinquency.

PRINTING: After a discussion on the matter of the printing contract Mr. Jeckell moved that it would be the consensus of this Committee that the printing of the book be done in Hawaii, provided however that the Hawaiian estimates are in a reasonable comparison to mainland quotes. Mr. Bond seconded the motion and it was passed unanimously. In an attempt to get a comparison, Mr. Yost will get a mainland estimate when he is on the west coast later this month.

NEXT MEETING: The next meeting of the Committee will be on October 21 at 5:00 P. M. pending receipt of the Dummy layout from Edward Enterprises.

ADJOURNMENT: There being no further business the meeting was adjourned at 5:45 P. M.

Respectfully submitted,

Alex. Castro
Secretary

TO: Mr. Bob Costa,
Chairman, Public Relations Committee
Outrigger Canoe Club

SUBJECT: Colored photos of the present facilities of the Club.

Dear Bob:

The Historical Committee has instructed me to advise you of a recent motion - that of our meeting on Wednesday, October 7th, 1970 - regarding the further exploitation of our investment in colored photos of the present facilities of the Club. This motion suggested that these photos could be used to develop postcards for sale on the Club premises and to members through direct mail. In addition, the material could be used for brochures from time to time in the near future.

In view of this motion would you be so kind as to take it up with your Committee and advise us of your action.

Very truly yours,

Alex. Castro
Secretary

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - WEDNESDAY, OCTOBER 21, 1970
HELD ON CLUB PREMISES AT 5:10 P.M.

PRESENT : Frank Sommerfeld presiding; Messrs. Bond, Jeckell, Russell, Thomas, Yost; Mrs. Jackson, Stowell

ABSENT : Messrs. Castro, Mann, Molyneux, Stickney

APPROVAL OF MINUTES : The minutes of the Historical Committee's meeting of October 7th were approved as circulated.

HISTORY : Mr. Yost reported that he had met with Mr. Zimmerman of Edwards Enterprises, who will send a copy of the dummy, as the pages are developed, to California when Mr. Yost is there.

Werner Stoy has been given instructions on what is required from him.

BUDGET : Inasmuch as a copy of the authorized budget of $3,000 for work on the club history has been misplaced, and no official record can be found, Mr. Thomas agreed to bring the matter up to the board at their next meeting, so that formal confirmation can be recorded.

MEETING : It was noted that the committee's next meeting would be on Wednesday, ~~December 9th~~ at five p.m., and that a dummy of the club history should be ready by then.

ADJOURNMENT : The meeting was adjourned at 5:50 p.m.

Outrigger Historical Committee

Things which must be done before the History can be completed

1. Clear historical text through Chapter 28, at the same time deciding whether there is to be a Chapter 29 on the present Club, or whether the present Chapter 28 should be condensed to a few introductory paragraphs leading into the comparatively brief, profusely illustrated text on the modern Outrigger.

2. Determine exact status of the budget , presumably from Charlie Hee. (As I understand it, the Board has to date budgeted a total of $7,000, of which $1,000 was for preliminary research and compilation of card index, the balance being for research in depth, planning and outlining the book,and writing. I believe we should have an unused balance of $2,000 or more, but am not sure)

3. Get authorization from the Board to take photos of the modern Club facilities and determine whether ~~or not~~ the cost is to come out of the editorial budget, or out of a yet to be authorized production budget. Also request that Van Dorn be directed to cooperate with the cameraman and myself in completing the necessary arrangements for taking the photographs.

4. Get the names of two or more competent commercial artists and authorize either the writer or some other individual experienced in such matters to get two or more estimates on the cost of doing a comprehensive dummy or mock-up of the book.

5. Review and either approve, extend or reduce the tentative list of photographs for the historical section of the book, possibly suggesting any likely sources of good photographic material whioh have not yet been investigated.

6, With a commercial artist selected and a cost estimate in hand, request authority from the Board to contract for this part of the job.

7. Determine through the Board exactly who or what group of Club officers is to put the final stamp of approval on the complete text, illustrations and format - the latter to be illustrated by the dummy.

8. Upon approval, or tentative approval of text, dummy, etc., get either firm bids or realistic estimates on the cost of printing and binding the book, in whatever quantities may be decided upon, and with the possibility of binding part of the run in laminated instead of hard covers.

9. Upon completion of the foregoing, seek from the Board the necessary approval to proceed, together with the all-important appropriation of necessary funds and authorization of their expenditure as needed.

If the Committee is in agreement with the foregoing analysis of the situation and recommended actions, I would urge that matters requiring Board approval be submitted in writing with request for definite action and implementation of approved requests, especially where budgeting and authorization of expenditures are involved.

Unless we initiate these actions and follow through on them when and if approved, the History will never be completed.

Historian
