OUTRIGGER CANOE CLUB
PUBLIC RELATIONS COMMITTEE MEETING - MONDAY, JANUARY 28TH, 1974
HELD ON CLUB PREMISES AT 5:00 P.M.

PRESENT: Chairman Bob Costa, Ernie White, Max Pilliard, Hal Sullivan, Charlie Bond.

ABSENT: Bill Kea, Jim Devine, Paul Kendall, Rick Davis, Ron Haworth, Frank Jeckell, Cline Mann, Jerry Ober, Kehau Stowell, Harold Yost, Mariechen Jackson, Don Woodrum. Bill Parlette has resigned from the Committee.

AGENDA: The Chairman reviewed items for discussion: 1. annual budget; 2. annual report; 3. status of Historical Committee; 4. inventory of OCC History books; 5. scholarship recommendation; and 6. coverage of the Athletic Awards Banquet for The "Outrigger."

The Chairman noted that the meeting would be the last Public Relations Committee meeting of the year.

BUDGET Public Relations Committee -- A budget of $19,000 was submitted to the Board of Directors; the Board approved a budget of $22,000. Major provisions of the budget are for: printing and mailing The "Outrigger;" editorial services; staff liaison with the local press regarding athletic events; and staff coverage of social activities for The "Outrigger."

Historical Committee -- The $22,000 budget includes $1460 for the Historical Committee. Mr. Bond stated anticipated expenditures include services of archivist Kehau Stowell and a new display at the front entrance to the Club lobby to replace the previous exhibit, which was taken down when renderings of proposed parking lot and tennis court construction were posted.

ANNUAL REPORT Mr. Costa will prepare and present a review of Public Relations Committee activities for the year at the Annual Membership Meeting February 25. A report of Historical Committee activities will be included. Mr. Costa and Mr. Bond will arrange the presentation of the two reports.

STATUS OF HISTORICAL COMMITTEE The Board has approved the PR Committee's recommendation that the Historical Committee be a standing committee of the Club.

OCC HISTORY BOOKS Inventory -- The revised inventory of OCC History books is as follows: 2359 copies were on hand in December of 1972; 1570 were on hand in January of 1974. Dispersals in 1973 totalled 789.

Reprinting -- Mr. Costa suggested that plans should be made to revise and reprint the OCC History at the end of 1974 if dispersals and sales continue at the 1973 rate. It was noted that the history books on hand are all paid for and that current sales represent 100% prifit.

Sales Promotion -- It was suggested that ideas be developed for promoting the OCC History during 1974, especially to guest and reciprocal club members. A display, perhaps at the Front Desk, was mentioned. The Historical Committee will pursue this suggestion.

Public Relations Committee Meeting -- 2

SCHOLARSHIP RECOMMENDATION

Max Pilliard presented a written scholarship recommendation and a sample application form, the latter for guidance only. Applicants would be limited to members "of an Outrigger Canoe Club member's immediate family." The primary sports to be considered would be swimming, volleyball, track, golf or tennis. An annual scholarship would be worth $2000. The recommendation states that the intent of the scholarship is twofold: to help produce a capable athlete and to emphasize OCC participation in promoting sound college athletic programs.

Mr. Costa noted that it is difficult to administer a scholarship for which both OCC members and non-members are eligible. He suggested that the Board of Directors consider establishing two scholarships -- one internal and one for non-OCC members.

Mr. Pilliard stressed the importance of setting up an on-going scholarship program.

ATHLETIC AWARDS BANQUET

Staff will cover the Athletic Awards Banquet February 18 in detail for the March issue of The "Outrigger."

ADJOURNMENT

The meeting adjourned at 5:55 P.M.

OLYMPIC CANOE CLUB
HISTORICAL COMMITTEE MEETING - WEDNESDAY, JANUARY 30TH, 1974
HELD ON CLUB PREMISES AT 5:30 P.M.

PRESENT: Chairman Charlie Bond, Mariechen Jackson, Eve Anderson, Bill Kea, Kehau Stowell, Joe Stickney, Josephine Achimore, Dr. Arthur Molyneux, Ernest Thomas, J. Ward Russell.

ABSENT: Alexander Castro, Frank Jeckell, Frank Sommerfeld, Harold Yost.

STANDING COMMITTEE STATUS — The Chairman opened the meeting by telling committee members that the Board of Directors has approved the recommendation of the Public Relations Committee that the Historical Committee be a separate standing committee of the Club. The Board has requested a statement of the purposes and functions of the Historical Committee.

OCC HISTORY BOOKS — The Chairman reported that there are approximately 1500 OCC History books on hand out of 4000 originally printed. He noted that dispersals in 1973 totalled about 800. If that rate continues in 1974, revision and/or reprinting will be necessary toward the end of the year.

BUDGET — A budget of $1460 for the Historical Committee was approved by the Board for the coming year. This sum is part of the Public Relations budget. The major items are for services of the Club archivist and $200 per quarter to re-create displays outside the front entrance to the Club.

FUTURE EXHIBITS FOR DISPLAY CASE — Football in 1920 -- Joe Stickney reported that he has thus far been unsuccessful in locating three old photographs of football in the 1920's that may have belonged to the Club. These had been discussed as items for a display. He said he believes Johnny Hollinger's widow may have the photos, and he hopes to be able to arrange a meeting with her soon to confirm this.

Volleyball -- The March display with volleyball as its theme will be postponed but not cancelled due to the duration of the present display of past Club Presidents' photos.

Presidents Display -- The OCC History is incomplete regarding who served as President in 1927-29 preceding Lorrin P. Thurston's term. Mr. Thurston talked with Joe Stickney and Bill Kea about this gap. After some discussion, it was decided that Mr. Thurston stated he served two terms, i.e. from 1927 - 29 and from 1929-30. Mr. Kea is searching through Club archives for further confirmation.

FUTURE DISPLAYS FOR FRONT WALL — Volleyball or canoe racing were suggested as subjects for a new display outside the entrance to the Club lobby. It was noted that the first canoe race is in May. Kehau Stowell will present volleyball photos from which a selection can be made at the next meeting. It was recommended that photographs in addition to those on display be printed for sale.

FRINGED "O" AWARD — The Fringed "O" Award was discussed in detail as an appropriate way to recognize all Club presidents, both past and future. Mr. Thomas stated that this award is for outstanding athletic competance or outstanding contributions to Club athletic programs and that some

Presidents would not qualify.

RECOMMENDATION -- After discussion the Committee adopted the following recommendation: The Historical Committee recommends to the Winged "O" Committee that Club members whose athletic prowess preceded creation of the Winged "O" Award be considered for presentation of this award.

The necessary research to find eligible athletes will be done by the Club archivist. She will prepare a list of outstanding athletes of the past with evidence of their sports achievements for presentation to the Winged "O" Committee.

DISPLAY COMMITTEE REPORT

Past Presidents -- Mariechen Jackson, Display Committee Chairman, reported on action taken at the January 26 meeting of that committee: a display of past Presidents' photographs was selected by the Committee; it will run chronologically; the first grouping is now on exhibit and will remain until after the Annual Membership Meeting on February 25th. Attempts are being made to acquire photos of missing Presidents.

Recommendation for Permanent Presidents' Plaque -- The Display Committee recommended to the Historical Committee establishment of a permanent Presidents' Trophy or plaque to carry the names and years of office of all Club Presidents.

The Historical Committee accepted this recommendation.

EXPANSION OF PHOTO COLLECTION

It was suggested that the archivist try to locate annual photographs of members of the Board of Directors, catalogue these, and add them to the Club archives.

Mr. Thomas recommended that the Historical Committee actively solicit gifts of old photos from Club members and add them to the present collection. The mechanics of receiving, cataloguing, publicizing, caring for, and acknowledging such gifts were postponed until the next meeting.

FUTURE CLUB PHOTOS

Proper compensation and regular assignments for a Club photographer were discussed. Assignments would include athletic events, annual photographs of new Boards of Directors, etc.

POSTCARDS

Within the next month Kehau Stowell will find out what the status is of postcards being printed with old Club photographs on them.

DESCRIPTION OF COMMITTEE FUNCTIONS

A subcommittee chaired by Bill Kea with Kehau Stowell, Josephine Achimore, and Ernest Thomas as members was formed to produce a draft of the functions of the Historical Committee as a standing committee.

NEXT MEETING

The next meeting was scheduled for Wednesday, February 13 at 5:30 P.M. Notices will be sent out 10 days in advance.

ADJOURNMENT

The meeting adjourned at 5:30 P.M.

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - WEDNESDAY, FEBRUARY 13TH, 1974
HELD ON CLUB PREMISES AT 5:30 P.M.

PRESENT: Chairman Charlie Bond, Coordinating Director Bill Kea, Ernest Thomas, Mariechen Jackson, Alex Castro, Kehau Stowell, Josephine Achimore, Joe Stickney, Eve Anderson, Frank Jeckell, Dr. Arthur Molyneux.

ABSENT: J. Ward Russell, Frank Sommerfeld, Harold Yost.

COMMITTEE JOB DESCRIPTION

A draft of a "Job Description for the Historical Committee," defining its functions as a standing committee, was submitted for consideration by ad hoc committee members Josephine Achimore, Kehau Stowell, Ernest Thomas, and Bill Kea, Chairman.

Budget -- The text of the draft states "All expenditures must have prior approval by the Board," and, in a separate section, that "The Committee shall prepare and submit an Annual Budget to the Board for approval." Board appropriation of funds was clarified as follows: "Prior approval" of "all expenditures" is required for the Committee's annual budget and for any request for additional funds not spelled out in that budget. An approved budget, however, is sufficient authorization to spend the amounts named in the budget; these items do not have to be re-submitted to the Board.

Amendment of Draft -- Committee members amended the draft as follows: the sentence, "All expenditures must have prior approval by the Board," was moved from paragraph 2 of Section IV. MEETINGS to paragraph 1 of Section V. BUDGET.

Monthly Meetings -- The draft states the Historical Committee shall hold regular monthly meetings. Reasons for this were given in answer to a question from Mr. Stickney. Monthly meetings are required for standing committees so that they can keep the Board regularly informed of their activities.

Motion -- The "Job Description for the Historical Committee" was unanimously accepted as amended. (Copy attached). Members of the ad hoc committee were thanked for their excellent presentation.

SECURITY FOR ARCHIVES

Access to the cabinet in which Club archives are stored was discussed. Those with keys include Kehau Stowell, Bill Kea, the Club Manager, and in his absence, the Assistant Manager or the Assistant to the Manager. Fran Moore , secretary to the Committee, uses the Club key.

A sign out sheet on which any item taken from the cabinet would be listed with the name of the person who removed it was suggested.

'INGED "O" AWARDS

Kehau Stowell is continuing to research possible 'inged "O" Award recipients whose sports achievements preceded creation of the award.

Mr. Bond told committee members that Wally Young, Winged "O" Committee Chairman, will provide guidelines for the award.

Mr. Thomas recommended that research continue and a list of those the Historical Committee feels are eligible for the award, along with back-up material

outlining their athletic achievements, be submitted directly to the Board of Directors. He stressed that athletic prowess, such as national or international recognition in sports, be the criterion for recommendations.

EXPANSION OF PHOTO COLLECTION — Expanding the Club collection of photographs was briefly discussed. An invitation to members to give photographs to the Club will be placed in the next "Outrigger."

POST CARDS — Mr. Jeckell reported he believed that the Public Relations Committee, which has approved printing post cards with old photos of the Club, was carrying through the project.

Kehau Stowell stated that the photographs selected for post cards have disappeared from Club Archives. A careful search will be made for them.

Mr. Bond will contact the Public Relations Committee regarding the actual printing of the post cards.

NEXT MEETING — Mr. Bond suggested that the next Committee meeting be held in the Sheraton-Waikiki room devoted to the Waikiki Historical Society. He will make the necessary arrangements. The present plan is to meet at the OCC and then go in a group to the Sheraton-Waikiki Hotel.

It was decided to invite Mary Lou Brogan, founder of the Waikiki Historical Society, to the meeting.

CORRECTION OF MINUTES — The minutes of the January 30, 1974 meeting were corrected to read that adjournment was at 6:30 P.M. instead of 5:30 P.M.

ADJOURNMENT — The meeting adjourned at 6:15 P.M.

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - WEDNESDAY, APRIL 17TH, 1974
HELD ON CLUB PREMISES AT 5:30 P.M.

PRESENT: Coordinating Director Timothy Guard, Chairman Charles Bond, Alexander Castro, Ernest Thomas, Dr. Arthur Molyneux, Joseph Stickney, Eve Anderson.

ABSENT: Josephine Achimore, Mariechen Jackson, Frank Jeckell, William Kea, J. Ward Russell, Frank Sommerfeld, Kahau Stowell, Harold Yost.

AGENDA: Chairman Charles Bond reviewed the purposes of the meeting: to talk with the new Coordinating Director for the committee and to review projects for the coming year.

NEW AND ONGOING PROJECTS

OCC History -- Mr. Bond stated that one major project for the committee is revision and correction of the OCC History. Reprinting is anticipated toward the end of the year. Portions of the history will be assigned for review to different members of the committee at the next meeting.

Archives -- The Club archivist, Kehau Stowell, is working on acquisition and cataloguing procedures patterned after those used by the Bishop Museum to encourage gifts of old photographs, memorabilia that relate to Club history.

Display Committee Plans -- Under Chairwoman Mariechen Jackson the Display Committee plans to re-instate displays outside the entrance to the Club lobby.

COORDINATING DIRECTOR'S ROLE

Mr. Guard stated that as Coordinating Director he sees his main role as one, not of coordinating the effort of the Historical Committee, but rather selling its proposals, especially those requiring funding, to the Board of Directors. He added that he would accasionally like to serve as a member of the committee.

Mr. Guard recommended that members of the committee examine long range goals and possible new projects not covered above.

Mr. Guard urged the committee to apply to the Board for additional funds for projects it considers worthwhile.

Mr. Bond requested that all committee members be prepared to discuss ideas for new Historical Committee projects at the next meeting.

NEW PROJECTS

Photo Collection -- Expansion of the Club's collection of old photographs was suggested.

The OUTRIGGER -- Mr. Guard stated that the Historical Committee can contribute greatly to the Outrigger by informing members of the past history of the Club: feature stories on "old personalities" and great racing crews of the past were mentioned. Mr. Castro suggested that portions of the OCC History,

condensed for publication, be expanded for use in The Outrigger.

Storage Space -- Solving the problem of storage space for trophies, archives was named as a project.

Trophy Security -- Mr. Bond stated that better security for trophies in the Board Room is needed. Glass cases were mentioned.

DISPLAY COMMITTEE — The theme of the next display scheduled for the front lobby is canoe racing. Mr. Thomas has old photos.

COMMUNICATION — At the request of Mr. Castro, Fran Moore will send each member of the committee the names, addresses and telephone numbers of all committee members.

ADJOURNMENT — The meeting adjourned at 5:55 P.M.

OUTRIGGER CANOE CLUB

DISPLAY COMMITTEE MEETING - SATURDAY, MAY 4TH, 1974 HELD ON CLUB PREMISES AT 9:30 A.M.

PRESENT: Chairwoman Mariechen Jackson, Alex Castro, Joseph Stickney, Kehau Stowell, Frank Jeckell.

ABSENT: Timothy Guard, William Kea.

PRESIDENTS' PHOTOS: The current display of Presidents' photos will continue through May until all available are shown. New photos from Bob Johnson of Howard Goss and Tom Haine are being framed by Kehau Stowell.

CANOE RACING DISPLAY: A display of canoe racing crews and races will be exhibited throughout the summer outside the front entrance to the Club. Kehau Stowell is selecting photos and will work with Irv Jenkins regarding enlargement and mounting. This display is scheduled for the end of May.

FUTURE DISPLAYS: June -- Medals, photographs, and trophies won by women swimmers are the theme of the June display for the trophy case in the lobby. The Club has some trophies; Mariechen Jackson will provide some of her own. It was suggested that medals, which have high monetary value, be photographed and enlarged rather than actually displayed, due to security problems.

July -- A display centered around the Walter Macfarlane Regatta is scheduled for July.

August -- The Summer Fun Junior Athletics Program was selected as the theme for an August display. The committee will work with those in charge of this program.

September -- Photographs of the various Outrigger Clubhouses was chosen for a September display. Several appropriate photos now hang in the Club, in the bar area and elsewhere. The Committee will substitute something appropriate while these photos are on exhibit in the lobby. Mr. Castro suggested that Founders' signatures be included for variety.

October/November -- Joe Stickney will try to locate photos and information about the OCC football team, which played Nevada, the first mainland team to come to the Islands, on New Years Day, 1921. Possible sources for information are the Honolulu Advertiser and Star Bulletin sports pages covering this event, and the University of Nevada archives.

December -- Christmas was the theme selected for a December display.

DISPLAY TECHNIQUES: Mr. Castro noted that unrelieved photographs or trophies can make a monotonous display and recommended inserting unusual items where possible, i.e., an old tank suit with women's swimming trophies, an old football helmet and crepe paper streamers in the colors of the competitors with the football display.

Mariechen Jackson noted that the Club needs a small surf board to use with displays.

MURAL — Frank Jeckell suggested the Committee consider recommending that a mural be commissioned for permanent installment above the bar.

ADDITIONAL DISPLAYS — Mr. Castro suggested that the Committee select and prepare several displays that are not seasonal and could be exhibited at any time on short notice. Suggestions for these "filler" displays are as follows: 1. the building process of the present Club, including ground-breaking ceremonies, copies of minutes authorizing present structure, etc.; 2. distinguished visitors to the Club over the years: Named were the Prince of Wales, Jack London, Admiral Nimitz, David Niven: the Royal Hawaiian Hotel scrapbook and the Waikiki Historical Society in the Waikiki/Sheraton Hotel were named as sources for photos; 3. Waikiki Waterfronts from 1908-1974, including photos of Waikiki with World War II barbed wire strung across it. The Bishop Museum and aerial photos in Army and Air Force files were suggested as sources for material.

ADJOURNMENT — The meeting adjourned at 10:30 A.M.

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - WEDNESDAY, MAY 29TH, 1974
HELD ON CLUB PREMISES AT 5:30 P.M.

PRESENT: Charles Bond, Chairman, Josephine Achimore, Eve Anderson, Joe Stickney, Mariechen Jackson, Ernest Thomas, Arthur Molyneux.

ABSENT: Alexander Castro, Tim Guard, Frank Jeckell, William Kea, J. Ward Russell, Frank Sommerfeld, Kehau Stowell, Harold Yost.

BAKER TROPHIES — Mr. Bond and Mariechen Jackson will try to locate the athletic club to which Mr. Baker belonged for return of the Baker trophies, now in the Club's possession.

CORRECTION OF MINUTES — The Committee unanimously voted to correct the minutes of the April 17th meeting under the section "New and Ongoing Projects" regarding reprinting the OCC History. Members agreed that the words "revision and correction" were incorrect and inappropriate and that "updating" should be substituted.

The Committee voted to write a letter of appreciation and apology to Mr. Yost for the misleading inference that could be drawn from these words. It was noted that the only known correction to the current text of the history is an updating of the list of past presidents of the Club. This information was not available to the Committee or the author when the book was written.

DISPLAY COMMITTEE REPORT — Display Subcommittee plans were reviewed by Mariechen Jackson. Projects requiring Historical Committee assistance or extra funding were discussed.

Purchase of Surfboard -- Mariechen Jackson will discuss with Display Subcommittee members size and specifications of a surfboard it hopes to purchase for use in the trophy case and report back to the Historical Committee.

Mural -- The Display Subcommittee will refine its suggestion that a mural be commissioned for the bar area and make a formal recommendation to the Historical Committee.

Rotation of Club Pictures -- The Display Subcommittee plans to rotate and change pictures hanging throughout the Club on a periodic basis. New photos may be added to the Club collection and framed when appropriate.

Framing -- The Display Subcommittee, as it reviews the Club photo collection, will notify the Historical Committee of funds it needs for framing.

OUTRIGGER ARTICLES — Three types of historical articles for The OUTRIGGER were discussed: Club history, famous Club athletes,

and "old personalities."

It was decided to prepare articles on a quarterly basis. Four subjects were selected for articles: 1. Mariechen Jackson, one of the Club's outstanding athletes; 2. Dad Center; 3. the OCC football team of 1920; and 4. the OCC track team.

Research and notes for these articles will be done by Kehau Stowell and submitted to Mr. Yost. Mariechen Jackson recently found notes on Dad Center. It was stated there is a good photo of the OCC track team in the men's locker room.

Other suggestions for articles: Harry Steiner, Duke Kahanamoku, Walter Macfarlane. An old OCC poster announcing a beach dance and dinner in 1908 was shown to the Committee by Joe Stickney. The Display Subcommittee will see if it can be re-touched and photographed for use in The OUTRIGGER.

REPRINTING OCC HISTORY

The Public Relations Committee projects that reprinting the OCC History will be necessary by the end of 1974.

Fran Moore will provide a current inventory of books and projected dispersals.

The Committee discussed whether sufficient time has elapsed since the original edition was printed to require a new chapter covering Club history from 1972-74.

Mr. Stickney urged that a careful review be made before a final decision. Mr. Bond will consult with Mr. Yost.

The general consensus of those present was that new material is not necessary due to the brief time lapse since the original history was written.

ADJOURNMENT

The meeting adjourned at 6:20 P.M.

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - WEDNESDAY, AUGUST 7TH, 1974
HELD ON CLUB PREMISES AT 5:00 P.M.

PRESENT: Charles Bond, Eve Anderson, Josephine Achimore, Alexander Castro, Mariechen Jackson, Frank Jeckell, William Kea, Tommy Thomas.

ABSENT: Tim Guard, Dr. Arthur Molyneux, J. Ward Russell, Frank Sommerfeld, Joe Stickney, Kehau Stowell (notice of meeting not received), Harold Yost.

OLD NEWSPAPER CLIPPINGS: Mariechen Jackson brought a number of newspaper clippings about former Club President H. B. Campbell to the meeting. These will be copied for archives.

OLD PHOTOS: The several hundred copies each of photos of Duke Kahanamoku's portrait and Duke Kahanamoku and Queen Elizabeth doing the hula were discussed. Where they came from and whether the latter is copyrighted or not will be researched before consideration is given to framing and selling them.

POLICY ON LOANING ITEMS OWNED BY CLUB: No action was taken on forming a policy for response to requests to borrow photos, trophies, other items from Club collections.

REPRINT OF OCC HISTORY: A reassessment of inventory figures shows that reprinting of the OCC History will not be necessary for a number of years. The 1,800 copies on hand are now being dispersed at a rate of approximately 100 per year, almost exclusively to new members.

UPDATING OF PRESIDENT'S LIST: New information regarding the list of Club Presidents on page 39 of the OCC History should be incorporated into any new edition. The corrected list is attached.

THE OUTRIGGER: Several articles were suggested for publication in The OUTRIGGER: 1. promotion of the OCC History as a Christmas gift in the November and December issues; 2. publication of the new official list of Club Presidents in the October issue with the request that Club members check it for accuracy and telephone substantiated corrections to Charles Bond; 3. Kehau Stowell and Mr. Yost were asked to prepare articles on outstanding Club members as discussed at the May 29 meeting; 4. Mr. Castro offered use of a copyrighted article prepared by him and Mr. Yost on observation of ancient burial

traditions during excavation and construction of present Club facility for use in The OUTRIGGER; 5. request for donations of historical material by members to archives to be repeated in the newsletter.

DISPLAY COMMITTEE CHAIRWOMAN — Mariechen Jackson is moving to Hawaii in October. Mr. Bond asked Eve Anderson to serve as Chairwoman of the Display Committee. Mrs. Anderson accepted.

RESIGNATION — Frank Sommerfeld's resignation from the Historical Committee was accepted with regret and thanks for his many contributions to the Committee over a long period of time.

NEXT MEETING — A lunch meeting was suggested. The date is to be determined.

ADJOURNMENT — The meeting was adjourned at 6:00 P.M.

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING - WEDNESDAY, OCTOBER 16TH, 1974
HELD ON CLUB PREMISES AT NOON

PRESENT: Charles Bond, Chairman, Josephine Achimore, Kehau Stowell, Arthur Molyneux, Joe Stickney, Eve Anderson, Harold Yost, Mariechen Jackson, Ernest Thomas.

ABSENT: Alexander Castro, Tim Guard, Frank Jeckell, William Kea, J. Ward Russell.

PURPOSE OF MEETING: The luncheon meeting was held in honor of Mariechen Jackson, retiring Chairwoman of the Display Committee. Mr. Bond and committee members expressed their sincere thanks to her for her work both as the original head of the Historical Committee and as the current head of the Display Committee.

PHOTOGRAPHS OF PAST PRESIDENTS: It was decided to ask Herbert Bauer to replace Bob Johnson as photographer of Club presidents. Rab Guild and Don Avery will be asked to make appointments with him. Ernest Thomas has already been photographed by Mr. Bauer, who will also be asked to do a portrait of Roy Banks, President in 1930-31, from a family photo lent to the Club. Completion of these portraits will bring the collection of Presidents' photos up to date.

It was noted that delivery of portraits of Thad Ekstrand and H. B. Campbell has been made by Mr. Johnson.

1920 OCC FOOTBALL TEAM PHOTO: John Hjorth has loaned the Club a photo of the Outrigger football team of 1920. Mr. Bauer will be asked to make a negative and several prints, one for publication in The OUTRIGGER, one for display in the Club and eventually for archives.

CLUB CHARTER MEMBER: Joe Stickney reported that he recently visited with Chris Jenkins in Los Gatos, California. It was noted that Mr. Jenkins may be the only living charter member of the OCC. Should he visit Hawaii next year, as he tentatively plans, it was suggested that a luncheon meeting be held in his honor and his recollections tape recorded.

APPRECIATION FOR LUNCHEON: The Committee expressed its enthusiastic appreciation to the Club for the complimentary luncheon.

ADJOURNMENT: The meeting was adjourned at 1:15 P.M.

The Wright Bowman Canoe Paddle was carved from one solid piece of koa probably done in or near Lahaina before the turn of the century. It was the property of Mrs. Jane McIntyre of Lahaina and later that of Mr. J. S. Walker.

The paddle has been presented to the Outrigger Canoe Club by member Frederick Klebahn.

Kehau Stowell: Talked to Herbert Bauer today re enlargement of football team photo. Locally he can print only as large as 16" x 20", but he can send to LA for larger printing, then mount here. Gave him your name and said you would probably get in touch with him.

Subject: Photo of OCC Football Team

I have your photograph of the Outrigger Football Team of 1920. It has been copied once for use in either the December issue of The OUTRIGGER or the January one, depending on space. Kehau Stowell, the Club archivist, also wants a copy, and a large enlargement for display in the Club. The first copy was made on small film for a 5" x 7" print. Another negative will have to be made for the enlargement. That is why we still have your picture. It is being kept in a safe place, and I will return it as soon as possible.

Thank you very much for lending it to us.

Sincerely,

Fran Moore
