OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING
THURSDAY, FEBRUARY 2, 1984 - 5:00 P.M.

PRESENT	:	A. Castro, Presiding; J. Garner, K. Pratt, E. McMahon, J. Matthias, M. Moore, A. Brightman, D. Machado, M. Young
ABSENT	:	W. Barnhart, F. Braunschweiger, R. Grimshaw, W. Kea, J. Mrantz, S. Rose, J. Russell, T. Thomas, H. White, J. Watts
BY DESIGNATION	:	R. Vieira, Coordinating Director
CALL TO ORDER	:	The meeting was called to order at 5:05 p.m.
APPROVAL OF MINUTES January 5 New Business	:	The minutes of the January 5 meeting were approved with the following correction: ...Second sentence should read "The name of Mrs. Josephine Garner has...".
GIFT FOR PATTI	:	Mr. Castro suggested a modest contribution from each member of the Committee toward a gift to our secretary, Patti Higuchi, who last week gave birth to her first child, Brent. $15.00 was collected, and it was generally agreed to send the money directly to Patti. Mrs. McMahon will take care of the matter from this point.
ORAL HISTORIES	:	Mrs. Young reported that the "Kahn" interview is now in the "rough" stage; "Matthias" is ready; "Brodie and Craw" must be re-taped to a 45 minute tape (Mr. Thomas will arrange for re-taping); "Mann" is in the "rough" stage and Miss Moore is going over it with Mr. Mann next Tuesday; "Harvey" will be done by Mr. Castro (60 minute tape); "Suzuki" will be done by Mr. Vieira and Mr. Russell; Mr. Machado will try to arrange for "Anzai".
PHOTOS FOR FRAMING	:	The new photo copies (in sepia),that are now ready for framing by Mrs. Kea,were passed around for inspection and comment. It appears that some of the dates are incorrect. Mr. Castro will review the dates. The negatives and contact prints were turned over to Miss Moore for the Archives.
SENIOR MEMBERS' LIST:		Mrs. Garner presented a list, compiled by the office, of all Regular members, indicating the individual dates of first joining the Club. A discussion followed in regard to the value of such a list, and it was generally agreed that the primary purpose of it was to determine qualification for "Senior Member" status. A direct-mail type of questionnaire is being prepared by Mrs. Garner, the purpose of which is to give all recipients of the mailer an opportunity to agree with or revise the Club records on this matter. This problem arises from the fact that some of the earlier membership data was lost when the Club moved from its former location. The discussion will be continued at the March meeting of the Committee.
NEW ARCHIVES LOCATION	:	Mr. Vieira reported that the Board is concerned over the memberships reaction to the plan which will extend the Boardroom into a portion of the entrance garden court. There will be a polling of the membership on this question before any contracts are let.

NEW LOCKS : Mr. Castro reported that the Manager has agreed to install new, and stronger, locks on the Archive cabinets.

OLD BUSINESS : Mrs. Young reminded the Committee that the 75th Anniversary materials - mainly the colored slides - are still out. Mr. Vieira will follow up and report at the March meeting.

NEXT MEETING : The next meeting will be held on Thursday, March 1, at 5:00 p.m., in the Boardroom.

ADJOURNMENT : The last Historical meeting of this Administrative year was adjourned at 6:15 p.m.

TO: President, Board of Directors & Members DATE: Feb. 27, 1984

FROM: Chairman, Historical Committee

RE: ANNUAL REPORT, 1983-84

The active members of the Historical Committee during the past year were:

Bill Barnhart
Anita Brightman Josephine Garner
Bob Grimshaw
Bill Kea
Kehau Kea
Don Machado
Jessie Matthias
Gene McMahon
Marjorie Moore
Joe Mrantz
Kenny Pratt
Ward Russell
Thommy Thomas
Hod White
Margaret Young

Bob Vieira was coordinating Director for the Committee.

A departure from our ordinary pattern of activity occurred in May of 1983 during the observation of the Club's 75th Anniversary. The committee compiled a pot pourri of pictures that were converted into slides, and several slide shows were held in the Board Room. The effort was valient but the results were mediocre due to poor planning and timing, which speaks pretty much for other phases of the Diamond Jubilee.

Our Oral History interviews have continued apace. Under the guidance of Margaret Young and Kenny Pratt, we now have completed interviews with 36 club personalities. All tapes and typewritten transcriptions are in the Club's Archives. The interviews completed in the past year are with Tom Singlehurst, R. Q. Smith, J. Cline Mann, Victor Kahn, Lex Brodie, and Wilbur C. Craw.

Our appointed "volunteer" archivist, Marjorie Moore, has diligently pursued a program of gathering and organizing past issues of The Club Magazine. Joe Mrantz has overseen the binding of these collected issues. Marjorie and Joe report that several issues around 1979 and '80 are missing. A list will be published soon, and we hope that we can find those missing issues in the files of members who may have held onto them. The presently bound volumes are in the Club Archives.

The photos and graphics now on display in The Bar area represent the best, but only a fraction of, the Club's collection. Kehau Kea did the koa frames with her usual touch of understated elegance. Werner Stoy, a member of the Club and President of Camera Hawaii, has produced a negative and contact print for each of these, and they are in the Archives. Members desiring prints may contact me. The charges are nominal.

Just as an aside: During the two Saturday mornings that it took to get those items up and secured to the walls with the capable work of Ray Ludwig's handymen, Domi and Han, we were advised by 30 passing Club members as to the correct placement of the items. There were, judging from their comments, 6 interior decorators, 4 framing experts, 11 historians, 7 nostalgic old-timers, and 2 kibitzers. In view of the fact that there are 20 items now hanging, each with 20 possible places to hang, it appears that there are 400 combinations. Every critic was right, but there is more editorial comment on its way. I can feel it just as plain!

Our Committee is deeply appreciative of the cooperation and ready assistance given us by our manager, Ray Ludwig, and the ladies in his office, Miss Jan Hop and Mrs. Patti Higuchi.

It appears that we should be hiring a part-time professional archivist soon, according to Marjorie Moore. Also, our dream of a reference library still floats out there in the future. Pau for now.

Aloha and mahalo,

Alex. H. F. Castro
Chairman - Historical Committee

OUTRIGGER CANOE CLUB
HISTORICAL COMMITTEE MEETING
THURSDAY, APRIL 5, 1984 - 5:15 P.M.

PRESENT : D. Machado; Presiding, J. Ward Russell, J. Mrantz, W. Barnhart, J. Garner, K. Kea, M. Moore, K. Pratt, T. Thomas, M. Young, D. Jocelyn

ABSENT : A. Brightman

BY DESIGNATION : R. Vieira, Coordinating Director

CALL TO ORDER : The meeting was called to order at 5:15 p.m. with the introduction of new member, Mr. Douglas Jocelyn. The committee welcomes Mr. Jocelyn who has been with the Club for 18 years.

APPROVAL OF MINUTES
February 2 : The minutes of the February 2nd meeting were approved as circulated.

OLD BUSINESS
Oral Histories : Assignments of oral histories were announced. Mr. Vieira will be doing Scoop Tsuzuki's history; Harold Harvey will be interviewed by W. Russell and J. Garner; W. Russell volunteered to interview Katsui Anzai (in addition to Waldo Bowman) and K. Pratt will interview George Brangier in two or three months.
M. Young explained briefly to Mr. Jocelyn what an oral history entails and was informed that should he be interested in listening to some histories, he is free to do so.
Mr. Vieira, at this time, announced that Mr. Alex Castro has volunteered to be of counsel to the Historical Committee.

75th ANNIVERSARY
SLIDES : There is some confusion as to whom the Anniversary slides belong. Chairman Machado has contacted Monte Costa who was responsible for the slide show. She will return the slides that were taken of pictures from the archives to the committee. If the committee is interested in obtaining other slides that she had taken of the Club from her own photo collection there will be a charge. It was the decision of the committee to borrow all the slides and sift through them deciding whether they are of importance to the Club.

Relocation of
Archives : M. Moore is happy to say that there are two new scrapbooks in the archives updated to 1984. She does not know how or where they came from, but they are beautifully done. The question came up regarding the clipping service. Secretary to find out what committments have been made, how often are they delivered and who does pasting.
Mr. Machado would like to know who has copies of the keys to the archives since there have been reports of literature missing.
Mr. Mrantz then made a motion; duly seconded and carried, to re-key all locks to the archives so that only committee would have full control. K. Pratt will do research and get estimates for this type of work. After some discussion the committee

decided to wait until Mr. Machado met with Sid Snyder to find out actual plans of the renovation.

Senior Members List : W. Russell and J. Garner will be working on a questionnarie shortly to go out to regular members through their billing statement. The purpose for this is to update and make Club records more accurate so that members can at least be given credit for the amount of years put into the Club.

Part-time Archivist : Mr. Machado asked committee members to make recommendations for a part-time archivist. Ms. Kea recommended Mr. Alan Kaaua. He was declined because of his non-residency status. No other nominees at this time.

Other Business : The pictures in the bar need identification and Ms. Kea will report to the committee on identification labels.

NEW BUSINESS

Committee Objective : Chairman Machado stated his thoughts on what the committee should strive to achieve this year. His recommendations: (1) Select and screen pictures to determine and retain those which have historical significance and value. Have a numbered catalog and card file system for cross reference. (2) Take oral histories of appropriate members. (3) Organize the archives making its contents accessible but secure. (4) Continue storage of oral histories, trophies, OCC magazines and clipping service materials and consider including annual reports.
The committee had taken inventory on trophies in stock a few years ago and would like to know where that list is. Mr. Machado and the secretary will do research. Mr. Castro will be contacted on his project of the library system mentioned a few meetings back.

Mahalo to Anita Brightman : The committee thanked Anita Brightman (not present) for the bubbly champagne surprise which was gulped enjoyably by members.

ADJOURNMENT : The meeting was adjourned at 6:25 p.m.

Slide Show	:	Going through last year's Board minutes, Chairman Machado informed the committee that there was no clear understanding between Monte Costa and the Club of who would have ownership of the slides shown at the 75th Anniversary show. Monte has donated all slides with the exception of 16, to the Historical Committee. They may be purchased from her at a charge of no more than $1.00 a piece. The committee was then presented with the slide show and determination of whether the committee should keep the 16 slides was decided. Mr. W. Russell made a motion, duly seconded and carried, that the committee purchase the 16 slides from Monte Costa at a charge of no more than $16.

Dear Donn,

I sent the package today by parcel post. Hope it gets there before Thanksgiving. I sent it to your house.

I enclosed the original 8mm film also. I think the video tape is reasonably goodbut it might be well to have Bob Ebert or some other expert there judge it. If some one there thinks a better tape might be made feel free to have it done. Bob Ebert lives at 700 Richards blvd. Telephone 531 1560. He is a very old friend of mine and I think you remember him also. He knew Billy H. well well.

I wrote to Don Machado the other day and told him I was experiencing some delays in getting the tape made. He is Chairman of the Historical Committee at the Out-Rigger, and it was he who got the board together to see the 8mm film while I was there. He offered to pay any expense of the tape but I told him the film was not for sale.

Between he and you I feel sure you can get Reverend Akaka to do the narration and supervise the musical part. When finished I would like a copy and my film.

As I mentioned, if they see fit to make me an Honorary Member or something like that I will be very happy. Of course I understand that such shenanigans would be very foreign to your veddy Boston instincts, but perhaps you can let your hair down and forget your scruples.

Let me know ho I can help in any way.

Beeg Aloha

Les + Evelyn

We both send all our love to you both

Subject: PLAN AHEAD FOR 1985 CLUB CALENDAR

We have been "living with" the Club calendar for most of 1984. It has more than proven itself for planning ahead for social events, sporting events and preventing conflicts in those two areas. It is a wonderful tool for getting the "big picture" and enabling the management and Public Relations Committee to help your committee with publicity and scheduling. However, it's only as good as you make it.

We encourage you now, as the calendar year is drawing to a close, to plan ahead for 1985. Do not adjourn your committee at the end of the year without making a tentative calendar and submitting it to the office. We realize a new committee may replace you in March 1985, but chances are some of the old chairpersons and members will remain, and valuable time is lost if you cannot plan for 1985 now, while you have an active, working committee with experience in planning your events.

If you cannot remember when you held an event, we have a recording calendar in the office. Ask Patti for it, she has written down everything that happened in the months we have been keeping the office calendar on the wall.

You can use that to plan for 1985, if you need to, indicate "tentative" for an event. The major need is to get yourself and your plans out there so that we can schedule all our events to include as many people as possible. Write each event down on the forms provided in the office. Then we know who to contact for specifics and advance publicity. You can always change your plans, but let us know in advance.
Call Public Relations if you need help.

THE OUTRIGGER'S LITTLE GRASS SHACKS

When the real old time Outrigger members hear that "little Grass Shack" song, they don't think about Kealakakua, Hawaii, they think af the very first home of the Outrigger Canoe Club.

When the Club was first organized, it had no building, it was just a place on the beach. J. Atherton Gilman, Jr. reminesced about those early days in his February 1980 Oral History interview.

According to J. Atherton, who was a club member in 1908, the year it was formed, the Club's first quarters with a roof were two grass shacks which were given to it by the County. The shacks were part of a defunct zoo which was located at the end of the Kaimuki street car line.

Whether or not the shacks had been used to house animals, J. Atherton did not make clear. But they were certainly welcome to the Club. He and others got together and arranged to borrow a stretched out lumber wagon from Lewers and Cooke, went out to the zoo and brought the shacks to Waikiki to become t the Outrigger's very first clubhouse.

WATER POLO ON SURFBOARDS?

With the recent announcement that the Club is forming a Water Polo team, some of our real old timers may be asking whether they will be playing on ~~surf~~ boards.

Surf boards?

Right, surf boards. In his Oral History interview in February of 1979, long time Club member Albert K. "Toots" Manfielle, Jr. tells of water polo matches on surf boards being played in front of the Royal Hawaiian Hotel in the mid-twenties.

It was the Outrigger Canoe Club versus their old rivals, Hui Nalu.

The game was similar to regular water polo, according to Toots, with six men and a goal keeper on a side. The ball was the size of a regular water polo ball which the players would toss back and forth as they paddled about.
